The Magic of Dragons Riders and Hunters Laura Burton, 2025-07-14 One year ago I survived a plane crash that killed my whole family The fact that I walked away Miracle The fact that I might've hallucinated a dragon dragging me from the wreckage Yeah we don't talk about that Now I've been shipped off to Theridon Academy where dragon riders train like elite soldiers and everyone looks like they were born for battle Meanwhile I'm just the grief-riddled transfer student who can't remember most of the crash and is constantly low-key spiraling And did I mention the kingdom's on the verge of war The riders and hunters have hated each other for centuries and I've somehow landed smack in the middle There's a golden boy prince who's flawless and infuriating A dangerous dragon hunter who gives major do-not-trust-me vibes They both want something from me They might both be lying As weird visions start messing with my head one thing becomes clear I'm not here by accident Someone has a plan for me And I'm not sure if I'm supposed to save the world Or burn it down
