A tale of awakened desires encased in fear and violence. Castle Sin: Seven dungeons, Seven Masters, Seven times the kink. Shane Sinclair learned young that regret always came too late, and with it, fear resonated. Fear of making those same mistakes all over again. I'm not your normal Dom, little one. He tapped his finger against her nose. You'd do well to remember that. Time brought healing, and with it, the urge to unleash the beast he'd kept locked inside for years. He'd found the one woman who was strong enough to complement him in the sassy and sensual Alexa Silver, but would he allow himself to fully trust in her? Only time would tell. Alexa Silver had been drawn to the elusive Master Fox since she first set foot on The Seven Keys Island. She'd played along with his cat-and-mouse game for years, but had all but given up hope that one day he'd realize she was it for him. The question is, what are you gonna do about it, Master Fox? It was time to take matters into her own hands and make him see she was his kind of woman, the only one he needed. Her only concern: did she have what it took? Only time would tell. As the two lovers strove to find a balance between their secrets and mutual trust, an unwelcome shared ghost from their past resurfaced, one that decimated Alexa's safe harbor at Castle Sin. Running away wasn't an option, not again. This time she had something to fight for. The struggle was exacerbated by the ever-present danger of the SPEONUS Order, that now sought cold-blooded revenge. Would the Sinclair cousins manage to foil the Order's attempts to bring them to their knees once again? And would

those they cherished most get caught in the crosshairs Only time would tell Editor s Note Shane and Alexa along with all the Masters and subs will send you on an emotional roller coaster laughing one second and tears burning your eyes the next ultimately leaving your eyebrows narrowed and jaw slack What Just Happened and where is the next book already Only time would tell Please Note Although each couple achieve their HEA in their stories the series should be read in order for best reader experience since there is a back story line throughout *The Mocktail Club* Derick Santiago,2024-01-02 Skip the bar and the alcohol with mocktail recipes that bring the fun of a speakeasy right to your couch The Art of Mixology meets mocktails in this beautiful collection of 75 alcohol free recipes for classic drinks new flavor concoctions and twists on old favorites so you can experience the joy of cocktail creation without the booze If you are looking to experience the joy of cocktail mixology without the bar crowd or booze The Mocktail Club has you covered As more and more people embrace the alcohol free lifestyle the range of mocktail recipes continues to grow From plays on classic cocktails to mocktails to new flavor concoctions the options are endless The 75 creative mocktails in this book are all about fresh ingredients classic flavors and keeping the booze out so you can bring the fun of a classic cocktail bar right to your couch Learn to make the delicious alcohol free recipes for Whiskey Sidecar Citrus Rose Martini Blackberry Gin Basil Smash Golden Fruit Daiquiri Spicy Pineapple Margarita And more With full color photos this sophisticated book will make a great addition to any home bar Embrace the mocktail movement with all the flavors you love without the alcohol with The Mocktail Club Cheers
