Hermann Hesse's Global Impact Oscar Von Seth, 2024 A timely collection of new essays arguing for the continuing relevance and impact of Hesse's works around the world Hermann Hesse remains one of the great figures of world literature He is the world's 35th most translated author with more than 1 500 translations of his works currently listed on UNESCO's Index Translatorium Our understanding of the reciprocal transcultural reception of literature has been radically transformed in the last two decades starting with David Damrosch's *What is World Literature* 2003 Meanwhile some forty years have passed since Martin Pfeifer's anthology *Hermann Hesses weltweite Wirkung Hermann Hesse's Worldwide Impact* was published which means it is time to consider Hesse's global impact again though not in terms of a country by country study Rather this book explores Hesse's continuing global relevance more broadly Hesse is global in the sense that his themes touch on the non material side of human existence in a way that readers in different cultural communities respond to His prose and poetry offer an oasis of calm authenticity and spirituality a mental terrain of profound and genuine meaning The present collection of new essays argues that this spiritual capital may help readers of Hesse in uncertain times beyond the doctrines of organized religions or ideologies assisting them in inhabiting creatively both the world of literature and the visceral world of the early 21st century Edited by Ingo Cornils and Neale Cunningham Contributors Flavia Arzeni Zhan Chunhua Thomas Cyron Helga Esselborn Krumbiegel Carina Gröner Karl Josef Kuschel Thomas Taro Lennerfors Volker Michels Christopher Newton Shrikant Arun Pathak John Pizer Adam Roberts Oscar von Seth Christiane Schönfeld Laszlo V Szabo Girishsha Ameya Tilak Jennifer Walker Yoichi Yamamoto Michal Zawadzki

Digital Social Reading Federico Piazola, 2025-01-21 How digital social reading apps are powerfully changing and nurturing the way we read Conventional wisdom would have us believe that digital technology is a threat to reading but in *Digital Social Reading* Federico Piazola argues that reading socially through digital media can help people grow a passion for reading and in some cases even enhance text comprehension Digital social reading DSR is a term that encompasses a wide variety of practices related to the activity of reading and using digital technologies and platforms websites social media mobile apps to share thoughts and impressions about books with others This book is the first

systematization of DSR practices drawing on case studies from Wattpad AO3 and Goodreads on a worldwide scale Using a combination of qualitative and computational methods Pianzola offers fresh insight into the reading experience on the scale of big data He discusses the impact of digital technology on reading skills and shows that a change of methodological perspective is necessary to understand the positive potential of DSR for promoting reading more broadly He argues that it is not just the medium that changes but also the context and the attitudes of readers He also asserts that grassroots media and open bottom up communities are crucial to the success of many reading practices today especially with young audiences

Youth Digital Health and Online Platforms Martyna Gliniecka, 2024-12-27 Youth Digital Health and Online Platforms focuses on young people's use of the digital platform Reddit for health Drawing upon dialogism theory the book explores how young people produce a youth led discourse of youth digital health different from the adult led framing represented in youth digital health research policy and service delivery Peer led discussions online remain one of the controversial forms of youth digital health associated with negative peer influence or casual teenage talk This book argues that online peer led dialogues support young people's agency in health and that young people can benefit from dealing with health issues with peers The work is based on the digital ethnography of teenagers subreddits on Reddit and utilises a theoretical framework of dialogism a linguistic based theory originated by an early 20th century Russian philosopher Mikhail Bakhtin The book introduces the concept of dialogical youth led youth digital health discourse formed in the peer led space of Reddit This youth led discourse celebrates equality and diversity amongst people meanings and opinions It is constructed around three relational elements socio material affordances creative practices and a plurality of youth voices Reddit's pseudonymous anti authoritarian and egalitarian nature supports the emergence of this youth led discourse The book can interest scholars and lecturers in childhood and youth studies Internet studies and youth health studies Professionals such as policymakers service designers deliverers online safety educators and global youth and health agencies can use evidence based insights in their work with young people
