Literary RPG Structure MD Coorlim, In this booklet we ll be approaching role playing games like an exercise in collaborative storytelling The GM and players are authors in more or less equal measure though the GM bears perhaps a little more responsibility than the others in terms of keeping everything organized These tips are based on the author s career experience as a screenwriter and author of genre fiction This is the first title in a series of system agnostic RPG theory and pre written campaign materials from Last Minute GM It is designed to be used with any roleplaying game system

Contemporary Women's Post-Apocalyptic Fiction Susan Watkins,2020-02-29 This book examines how contemporary women novelists have successfully transformed and rewritten the conventions of post apocalyptic fiction Since the dawn of the new millennium there has been an outpouring of writing that depicts the end of the world as we know it and women writers are no exception to this trend However the book argues that their fiction is distinctive Contemporary women s work in this genre avoids conservatism a nostalgic mourning for the past and the focus on restoring what has been lost aspects key to much male authored apocalyptic fiction Instead contemporary women writers show readers the ways in which patriarchy and neo colonialism are intrinsically implicated in the disasters they envision and offer qualified hope for a new beginning for society culture and literature after an imagined apocalyptic event Exploring science nature and matter the posthuman body the maternal imaginary time narrativeand history literature and the word and the post secular the book covers a wide variety of writers and addresses issues of nationality race and ethnicity as well as gender and sexuality

Evolution and Popular Narrative ,2019-06-07 The contributors to this volume share the assumption that popular narrative when viewed with an evolutionary lens offers an incisive index into human nature In theory narrative art could take a near infinity of possible forms In actual practice however particular motifs plot patterns stereotypical figures and artistic devices persistently resurface indicating specific predilections frequently at odds with our actual living conditions Our studies explore various media and genres to gauge the impact of our evolutionary inheritance in interdependence with the respective cultural environments on our aesthetic appreciation As they suggest research into mass culture is not only indispensable for evolutionary criticism but may also contribute to our understanding of prehistoric selection pressures that still influence modern preferences in popular narrative Contributions by David Andrews James Carney Mathias Clasen Brett Cooke Tam s David Barrett Tom Dolack Kathryn Duncan Isabel Behncke Izquierdo Joe Keener Alex C Parrish Todd K Platts Anna Rotkirch Judith P Saunders Michelle Scalise Sugiyama Dirk Vanderbeke and Sophia Wege
