Blueprints for Text Analytics Using Python Jens Albrecht, Sidharth Ramachandran, Christian Winkler, 2020-12-04
Turning text into valuable information is essential for businesses looking to gain a competitive advantage. With recent improvements in natural language processing (NLP), users now have many options for solving complex challenges. But it's not always clear which NLP tools or libraries would work for a business's needs or which techniques you should use and in what order. This practical book provides data scientists and developers with blueprints for best practice solutions to common tasks in text analytics and natural language processing. Authors Jens Albrecht, Sidharth Ramachandran, and Christian Winkler provide real world case studies and detailed code examples in Python to help you get started quickly. Extract data from APIs and web pages. Prepare textual data for statistical analysis and machine learning. Use machine learning for classification, topic modeling, and summarization. Explain AI models and classification results. Explore and visualize semantic similarities with word embeddings. Identify customer sentiment in product reviews. Create a knowledge graph based on named entities and their relations.

Build Demand Before You Deliver: Pre-Sale Blueprints That Work Every Time Onyeka Godfrey, 2025-08-04
Why build in the dark when you can build in public with profit? This book shows you how to sell your product before it exists. Not by tricking people but by building trust, testing interest, and proving demand upfront. You'll master pre-sale strategies that validate your idea and fund its creation. Inside, you'll find practical blueprints for email pre-launches, waitlists that convert, value-first messaging, and urgency-driven presales. You'll learn how to build momentum before delivery and how to use feedback loops to sharpen your offer before release day. If you're tired of guessing what people want and wasting time building things they don't, this book gives you the shortcut to certainty, sales, and confidence.
