The Gospel Project ,2012 **God Speaks** David Smith,Richard Alldritt,2013-04-19 David Smith surveys the modern missionary movement examines critical issues concerning the gospel and culture reflects on mission in the context of violence and suffering and explores the translation of the gospel for today s globalized world In his letter to the Romans Paul makes striking use of the phrase the kindness of God 11 22 The apostle to the Gentiles warns non Jewish believers in the imperial city of Rome to beware of arrogance counselling them to be afraid that the kind of spiritual pride which led to the downfall of biblical Israel will also be their undoing In the deeply troubled times in which we live this text speaks powerfully to Christians throughout the world summoning a global church to prioritize what really matters and to discover its unity in the service of the Christ whose life and death revealed in human form precisely the kindness of God Taking his starting point from Lesslie Newbigin s analysis of the contemporary historical and cultural context David Smith explores issues in and challenges to the practice of Christian mission and witness today He surveys the modern movement starting with the World Missionary Conference in Edinburgh in 1910 examines critical issues concerning the gospel and culture reflects on mission in the context of violence and suffering and explores the translation of the gospel for a globalized world He also examines how Scripture was used to justify the political and economic expansion of European power at the dawn of the modern world and argues that mission today demands both a new hermeneutic and a revised theology of mission within which Paul s letter to the Romans will play a significant role **The Gospel Project for Adults: Jesus the Storyteller - Bible Study Book**

Surprised by the Voice of God Jack S. Deere,2010-06-15 If You Believe Miraculous Gifts Have Ceased You re in for a Big Surprise What caused a former Dallas Seminary professor to believe that the miraculous gifts of the Holy Spirit are being given today What convinced someone skeptical about miracles that God still speaks and heals A dramatic change took place in Jack Deere s life when he took a fresh look at the Scriptures He discovered that his arguments against miraculous gifts were based more on prejudice and lack of personal experience than on the Bible As soon as Deere became a seeker instead of a skeptic the Holy Spirit revealed himself in new and surprising ways In *Surprised by the Power of the Spirit* Deere provides a strong biblical defense for the Spirit s speaking and healing ministries today He also describes several reliable cases of people who were miraculously healed or who heard God speak in an unmistakable way Finally he gives sound advice for using spiritual gifts in the church Written in a popular style with the care of a scholar but the passion of personal experience this book explores The real reason Christians do not believe in miraculous gifts Responding to Charismatic abuses Were miracles meant to be temporary Why God still heals Must reading for all Bible believing Christians I wish with all my heart I
