Breaking the Code J. Richard Gentry, 2006 If only we could understand that seemingly inexplicable moment when children suddenly get reading Then our instruction could be directed toward creating those specific circumstances which help every student recognize the pattern of meaning behind the marks on a page Now thanks to Richard Gentry's Breaking the Code we can In his most important book to date Gentry combines cutting edge brain based research with sound classroom knowledge to explore early literacy development Starting with the crucial interrelationship of reading and writing he looks inside and out at the minds of emerging readers to find out how they construct the idea and process of reading Then he presents a blueprint for instruction and early intervention that combines his new findings with best practice teaching His comprehensive instructional model focuses on building the specific skills capacities and experiences kids need by teaching them to write as they learn to read Gentry gives you everything you need to implement successful beginning reading strategies as well as a variety of effective tips for supporting readers and writers throughout the primary grades Writing with the same clarity and teacher friendly approach as in his best selling *The Science of Spelling* Richard Gentry will show you how scientific thinking and student centered teaching can work together to create powerful literacy instructional practices Let Breaking the Code open a window for you into the minds of young readers

so that you can open a window for them into a world of literate possibilities *Blueprint Promise* Orville Gilmore Jr.,2014-10-16 Many act as if the battle is against the system Moreover it will last as long as life I see it differently The fight is lifelong but with yourself How you prepare to meet these hurdles I call weeds and the upcoming future events in my opinion relies on understanding the playing field and your design Discerning this information places you above time This cornerstone of change predicts new thinking alone with a different level of faith practice and discernment leading to a pattern of success This process on paper is your preliminary Blueprint to a Promise The playing field and the lifecycle work together as change agents To enhance a feature one must reach into the spiritual realm and bring the promises provisions and authority of Gods will into the natural realm to be seen by all This book features two parts The first thirteen chapters cover preparation the next fifteen cover the action needed on the playing field The strategy is simple Make a decision believe in that decision act as if you already have it give thanks and praise to your God The unconscious purpose is to tell time what time it is We turn learning into discerning The skim through feature in the first four chapters will get you started
