Happy Death Club Naomi Westerman, 2025-10-10 Anthropologist Naomi Westerman was studying death rituals around the world when her whole family died Upon losing those closest to her Naomi Westerman saw that death was more than just an abstract academic concept it was a deeply painful and personal experience She became fascinated by loss and grief and hoped to cope and demystify death by turning to history art and pop culture *Happy Death Club* examines the many faces of death and grief in Westerman's own life and in cultures around the world From expensive coffins and unconventional burials to horror films and true crime what does our treatment of death and dying have to tell us about how we live our lives What makes a good death And who owns our bodies before and after we die Both meaningful and darkly humorous *Happy Death Club* presents a frank curious look at this universal human experience one we're often too afraid to talk about and what lies beyond *La paradoja de Teseo. Ferro, 2021-02-17 La irrupción de la virtualidad las aplicaciones y los dispositivos incuban y amplifican en el presente una obsesión colectiva por el registro del momento el testimonio de la experiencia y la composición de la memoria y el repertorio Así el libro surge de la necesidad de desarrollar epistemologías digitales y métodos de investigación que estudien este fenómeno En particular se concentra en las representaciones mediáticas del Carnaval de Barranquilla y analiza un conjunto de fotografías agrupadas bajo el carnavales de barranquilla en Instagram para comprender cómo la virtualidad y la realidad se construyen y complementan mutuamente *With Regrets* Lee Kelly, 2023-09-05 *With Regrets* from author Lee Kelly is equal parts *Big Little Lies* and *Bird Box* a suburban drama wrapped in a 24 hour survival story at the end of the world perfect for fans of David Koepp's *Aurora* Seven courses seven guests twenty four hours that will obliterate everything When recent NYC transplant Liz Brinkley and her husband are invited to an exclusive soiree by their neighbor lifestyle guru Britta Harris Che Liz's immediate thought is hell no Britta is insufferable and Liz is wary to leave her young children with a barely teenage babysitter And yet she RSVPs anyway trying to extend an olive branch to her withdrawing husband who seems desperate to get in with the cliquey elite They've barely made it through their first round of champagne when a red alert comes through their phones and every channel on the television tells the same story strange atmospheric masses reported to look like glimmering clouds have been spreading through major U.S. cities and killing anyone they touch Authorities have just one clear directive Find shelter Immediately A collective panic seizes the dinner party all the guests have children at home In the mad dash to their cars they see it a shimmering net floating over the town The street is littered with wrecked cars and dead bodies Leaving now is not an option Instead the group launches into survival mode grabbing supplies to take shelter in the hosts wine cellar But everyone has very different opinions about the best plan from there Liz becomes increasingly willing to do anything it takes to get back to her children As the glimmering clouds continue to kill anyone who steps outside the tensions and suspicions among the party guests near a boiling point But she begins to realize that there may be others in that
