Hamilton, 2024-11-22 This comprehensive volume explores the phenomenon of refugee entrepreneurship and advances the discussions and debates in the domain The growing number of refugees across the world creates a compelling need to study the social and economic activities of refugees in different contexts and to share experiences and debate how to better support refugee populations This book covers academic practical and policy issues in refugee entrepreneurship seeking to present the current status of research in this evolving field The topics include how to identify and differentiate refugee entrepreneurship refugees business practices the personal economic and social values and impacts of refugee entrepreneurship and the institutional support and role of ecosystems in facilitating refugee entrepreneurship Future research directions are also outlined This book provides scholars with the theoretical foundations and evidence base to advance refugee entrepreneurship research Support agencies will learn from the experiences of others about the delivery of tailored support and policymakers will recognise the need for empathy and consistency in developing host country strategies for refugees Global Entrepreneurship and Development Index 2017 Zoltan J. Acs, László Szerb, Ainsley Lloyd, 2017-09-14 This brief presents a detailed look at the entrepreneurial ecosystem of nations around the world by combining individual data with institutional components Presenting data from the 2017 Global Entrepreneurship and Development Index GEDI which measures the quality and scale of entrepreneurial process from 137 countries world wide this book provides a rich understanding of entrepreneurship and a more precise means to measure it In addition to yearly data and comparison this 2017 edition also explores the digital entrepreneurial ecosystem and provides a detailed analysis of two measurements of entrepreneurship the GEDI and the Total Early Stage Entrepreneurial Activity TEA measure Whereas developed countries will be challenged to increase their economic productivity to sustain current standards of living as their

populations rapidly age developing economies will need to integrate more than two billion young adults into the world economy by 2050 How can more than one billion jobs be created in the developing world within this timeframe especially in the least developed countries where poverty and massive unemployment are already dominant facts of economic life How can we measure monitor and build the ecosystems to produce such growth The GEDI is designed to profile national systems of entrepreneurship It links institutions and agents through a National Entrepreneurial System ecosystem in which each biotic and abiotic component is reinforced by the other at the country level The resulting data gives policymakers a tool for understanding the entrepreneurial strengths and weaknesses of their countries economies thereby enabling them to implement policies that foster productive entrepreneurship The GEDI also helps governments harness the power of entrepreneurship to add these types of challenges *Sustainable Entrepreneurship* Christina Weidinger, Franz

Fischler, René Schmidpeter, 2013-08-13 Sustainable Entrepreneurship stands for a business driven concept of sustainability which focusses on increasing both social as well as business value so called Shared Value This book shows why and how this unique concept has the potential to become the most recognised strategic management approach in our times It aims to point out the opportunities that arise from putting sustainable entrepreneurship into practice At the same time this book is a wake up call for all those companies and decision makers who underestimated Sustainable Entrepreneurship before or who are simply not aware of its greater dimension Well structured chapters from different academic and business perspectives clearly outline how Sustainable Entrepreneurship contributes to solving the world s most challenging problems such as Climate Change Finance Crisis and Political Uncertainty as well as to ensuring business success The book provides a framework of orientation where the journey might go What can a successful concept of SE look like What are the key drivers for its realisation What is the role of business in shaping the future of our society The book also presents best practices and provides unique learnings as well as business insights from the international Sustainable Entrepreneurship Award www.seaward.org The Sustainable Entrepreneurship Award short SEA is an award for companies today who are thinking about tomorrow by making sustainable business practices an integral part of their corporate culture Companies that receive the SEA are being recognised for the vision they have shown in combining economic and sustainable responsibility

Entrepreneurial Vision Susan E. Reid, Charles B. Crawford, 2022-06-28 While many texts on entrepreneurship and biographies of great entrepreneurs and leaders talk about vision and its importance few delve into what vision is how it comes to be and how it can be more successfully developed This book built on evidence based research delves into the entire entrepreneurial visioning process Starting with understanding the elements which characterize strong and sustainable vision the authors detail proposed steps supported by examples and worksheets that students and entrepreneurs can take to build and implement their vision and in turn help put them on the path to build great businesses **Proceedings of the International Conference on Global Innovation and Trends in Economics and Business (ICOBIS 2022)** Sanchita
