International Bestseller Witchcraft Academy:

When the Dust Settles Lucía Ashta, 2022-12-31 Traitor s Den was meant to be a prison A punishment A hellhole my daddy could never escape Over the decades however hundreds of us have found a way to make it our home We ve learned to deal with the many bumps along the way with colorful cussing and a dash of humor often roused by one too many at the saloon and we ve embraced the spell that turns us all into honky tonk cowgirls and boys The Den might be more bizarre magical theme park than anything else but hey it s ours What s ours we Denners protect To the death We might have better things to do than showing up to work on time but tell us there s a shootout Darn tootin we ll be there With bells on Whatever cray cray happens in our town we ll find a way to fix it or at least shoot it till it s as fixed as it gets But what in Sam Hill are we supposed to do with a hole in the sky where a hole sure as shitfire doesn t belong that s letting dragons into our no exit portal town I m not talking cute baby dragons like Sawyer Zane Full grown mean as sin adult dragons Who are on this one way trip to kill lucky ol me Just dandy Since there s nowhere to run we do what we do best we fight One way or another there can only be one sheriff in town When the dust settles I m betting it will be me I m hoping anyhow because I m all in And so is everyone I love including the gorgeous half vampire and two hunky shifters who ve gone ahead and claimed me As they say where there s smoke there s fire and honey in Traitor s Den something s always smokin hot This grand finale of the Six Shooter and a Shifter series is 91 000 words long bringing the series to a satisfying happily ever after conclusion [The Incorruptibles](#)

When the Sun Burns Lucía Ashta, 2022-05-16 The people and creatures of Traitor s Den are always getting into trouble Hell they re supposed to It s the one thing I can count on to be predictable The longer they spend in the Den the more the spell that keeps us all here has the chance to take effect turning us all into my Uncle Tucker s version of cowboys and cowgirls and he clearly had little idea about a true western community when he first condemned my parents to a life stuck in one Our little one way town is always wild definitely outrageous and no day is ever the same as the one before it But when Rhett Stead and Zeke Doyle tumble through the portal throwing punches before they even land our town s signature wild western flavor swells a couple of notches especially since they seem to think I m their mate or queen or whatever Their steamy looks are enough problem to handle and then I discover what Rhett s been carrying around in his um err goods The secret contraband definitely does not belong in our prison world since we have no chance of escaping it Worst of all something big ferocious and fire breathing wants what Rhett snuck in Several somethings in fact And the portal just popped open again Hold on to your hats cause the ride just got wilder A sexy fantasy western with growly shifters sketchy vamps peculiar mages and creatures and one badass cowgirl sheriff Within this small town magic and gossip flow as freely as whiskey and work and pleasure are nearly the same thing Weird things happen on the regular in Traitor s Den Come and join the quirky family where everyone s packing Oh and don t mind the tiger Loretta Maybelle Ray is hot stuff When several fine

cowboys vie for her affections this series becomes a reverse harem Though this series does not contain curse words but rather a comical variation of them it contains slow burn romance that eventually leads to sex on the page with more than one man Each book in the Six Shooter and a Shifter series is a full length novel that ends on a cliffhanger However a happily ever after is guaranteed for the series finale

Radicalism and Dissent in the World of Protestant Reform VolkswagenStiftung,,German Historical Institute, Library,Bridget Heal,Anorthe Wetzels, 2017-04-03 This volume of essays explores the themes of radicalism and dissent within Protestantism The comparisons highlight the contingent nature of particular settlements and narratives and reveal the extent to which the definition of religious radicalism was dependent upon immediate context and show that radicalism and dissent were truly transnational phenomena The historiography of the so called radical reformation has been unduly shaped by the hostile categories imposed by mainstream or magisterial reformers during the sixteenth and seventeenth centuries This volume argues that scholars should adopt an open ended understanding of evangelical reform and recognize that the boundaries between radicalism and its opposite were not always firmly drawn The distinction between the two is an inheritance of the Lutheran Reformation of the 1520s which shaped not only the later course of the Reformation in the Holy Roman Empire but also attitudes towards and writings on religious dissent in the Netherlands and England Radical critique is immanent within mainstream Protestantism
