

Sugardale Short Story

Sebastian Brünink

Sugardale Short Story:

Galaxy Legend Short Stories Vol.13 Frank M. Robinson et al.,2016-02-15 Galaxy Science Fiction was an American digest size science fiction magazine published from 1950 to 1980 It was founded by an Italian company World Editions which was looking to break into the American market World Editions hired as editor H L Gold who rapidly made Galaxy the leading science fiction sf magazine of its time focusing on stories about social issues rather than technology Gold published many notable stories during his tenure including Ray Bradbury s The Fireman later expanded as Fahrenheit 451 Robert A Heinlein s The Puppet Masters and Alfred Bester s The Demolished Man In 1952 the magazine was acquired by Robert Guinn its printer By the late 1950s Frederik Pohl was helping Gold with most aspects of the magazine s production When Gold s health worsened Pohl took over as editor starting officially at the end of 1961 though he had been doing the majority of the production work for some time Under Pohl Galaxy had continued success regularly publishing fiction by writers such as Cordwainer Smith Jack Vance Harlan Ellison and Robert Silverberg However Pohl never won the annual Hugo Award for his stewardship of Galaxy winning three Hugos instead for its sister magazine If In 1969 Guinn sold Galaxy to Universal Publishing and Distribution Corporation UPD and Pohl resigned to be replaced by Ejler Jakobsson Under Jakobsson the magazine declined in quality It recovered under James Baen who took over in mid 1974 but when he left at the end of 1977 the deterioration resumed and there were financial problems writers were not paid on time and the schedule became erratic By the end of the 1970s the gaps between issues were lengthening and the title was finally sold to Galileo publisher Vincent McCaffrey who brought out only a single issue in 1980 A brief revival as a semi professional magazine followed in 1994 edited by H L Gold s son E J Gold this lasted for eight bimonthly issues At its peak Galaxy greatly influenced the science fiction field It was regarded as one of the leading sf magazines almost from the start and its influence did not wane until Pohl s departure in 1969 Gold brought a sophisticated intellectual subtlety to magazine science fiction according to Pohl who added that after Galaxy it was impossible to go on being naive SF historian David Kyle agrees commenting that of all the editors in and out of the post war scene the most influential beyond any doubt was H L Gold Kyle suggests that the new direction Gold set inevitably led to the experimental New Wave the defining science fiction literary movement of the 1960s

The National Provisioner ,1961 Vols for 1995 include an annual issue with title Sourcebook **Meat** ,1963 Some vols include Proceedings of the annual meeting of the American Meat Packers Institute Proceedings of the annual meeting of the National Independent Meat Packers Association *Dictionary of International Biography* Geoffrey Handley-Taylor,Ernest Kay,1974 *The Legal Gazette* ,1869 *Railway Locomotives and Cars* ,1865 **Los Angeles Magazine** ,2001-08 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and
