

Welcome to the Summer of Fire Enrichment List! This item was designed to help strong students challenge themselves and expand their learning; it corresponds with the story Summer of Fire from the Harcourt Trophies anthology. In my classroom, I give high performing students the list when we start working with the story, and they use any downtime in or out of class to progress with whatever item is most interesting to them. They get a chance to earn extra credit while pursuing their interests, and they also get more practice taking ownership of their learning! Enjoy!
