

BIBLE STUDY LESSON 4

THE NEW LIFE IN CHRIST

QUESTION 1 Romans 6:3 (NKJV) Or do you not know that as many of us as were baptized into Christ Jesus were baptized into His death? Romans 6:4 (NKJV) Therefore we were buried with Him through baptism into death, that just as Christ was raised from the dead by the glory of the Father, even so we also should walk in newness of life.

Colossians 3:1 (NKJV) If then you were raised with Christ, seek those things which are above, where Christ is, sitting at the right hand of God.

Colossians 3:2 (NKJV) Set your mind on things above, not on things on the earth.

QUESTION 2

Colossians 3:8 (NKJV) But now you yourselves are to put off all these: anger, wrath, malice, blasphemy, filthy language out of your mouth.

Colossians 3:9 (NKJV) Do not lie to one another, since you have put off the old man with his deeds,

QUESTION 3

Colossians 3:10 (NKJV) and have put on the new man who is renewed in knowledge according to the image of Him who created him,

Colossians 3:11 (NKJV) where there is neither Greek nor Jew, circumcised nor uncircumcised, barbarian, Scythian, slave nor free, but Christ is all and in all.

Colossians 3:12 (NKJV) Therefore, as the elect of God, holy and beloved, put on tender mercies, kindness, humility, meekness, longsuffering;

Colossians 3:13 (NKJV) bearing with one another, and forgiving one another, if anyone has a complaint against another; even as Christ forgave you, so you also must do.

Colossians 3:14 (NKJV) But above all these things put on love, which is the bond of perfection.

Colossians 3:15 (NKJV) And let the peace of God rule in your hearts, to which also you were called in one body; and be thankful.

Colossians 3:16 (NKJV) Let the word of Christ dwell in you richly in all wisdom, teaching and admonishing one another in psalms and hymns and spiritual songs, singing with grace in your hearts to the Lord.

Colossians 3:17 (NKJV) And whatever you do in word or deed, do all in the name of the Lord Jesus, giving thanks to God the Father through Him.

QUESTION 4

Galatians 6:10 (NKJV) Therefore, as we have opportunity, let us do good to all, especially to those who are of the household of faith.

Sick Schools David V. Anderson,2020-01-10 Who s afraid of for profit education Those who work in non profit or government

owned and operated schools Many parents and other stakeholders have been made fearful by this education establishment What s more important to humans nutrition or education Nutrition is more important because it is the prerequisite for other human activities including education What organizations provide food and who pays for the food Food is provided by for profit farmers for profit processors for profit wholesalers and for profit retailers Most food is purchased with the consumers own money but a significant amount is purchased by low income individuals using food stamps Why can t education be provided similarly using education stamps We trust for profit enterprises to provide our food Why can t we trust for profit enterprises to provide K 12 education Fearmongers have frightened us and made us into gullible compliant socialists who despise commercial activities in education Go to the supermarket and ponder its marvelous array of foods and then contemplate how a for profit K 12 education sector would please and amaze its customers Why Black Lives Matter Anthony B. Bradley,2020-10-21 Beginning with a conversation prompted by African American scholars like Dr Alvin Poussaint of Harvard Medical School in 2007 to the current Black Lives Matter movement there has been much debate about what led to the deaths of Trayvon Martin and Michael Brown among others as well as other systemic challenges that undermine black thriving Anthony Bradley has assembled a team of scholars and religious leaders to provide a distinctly Christian perspective on what is needed for black communities to thrive from within In addition to the social and structural issues that must be addressed within black communities there are opportunities for social change based on God s vision for human flourishing Covering topics like the black family hip hop mental health mentoring women masculinity and the church this book will open your eyes to fresh ways to participate in solutions that will truly set black America free Although the Black Lives Matter movement keeps the church on the margins the authors in this volume believe that enduring change cannot happen unless God speaks directly to these issues in light of the gospel This is a revised edition of an earlier book Keeping Your Head Up With contributions from Vincent Bacote Bruce Fields Rev Howard Brown Ralph C Watkins Rev Eric M Mason Rev Lance Lewis Rev Anthony Carter Ken Jones Natalie Haslem Rev Ken Jones Rihana Mason Yvonne RB Banks *Parental Responsibility in the Context of Neuroscience and Genetics* Kristien Hens,Daniela Cutas,Dorothee Horstkötter,2017-01-09 Should parents aim to make their children as normal as possible to increase their chances to fit in Are neurological and mental health conditions a part of children s identity and if so should parents aim to remove or treat these Should they aim to instill self control in their children Should prospective parents take steps to insure that of all the children they could have they choose the ones with the best likely start in life This volume explores all of these questions and more Against the background of recent findings and expected advances in neuroscience and genetics the extent and limits of parental responsibility are increasingly unclear Awareness of the effects of parental choices on children s wellbeing as well as evolving norms about the moral status of children have further increased expectations from prospective parents to take up and act on their changing responsibilities The contributors discuss conceptual issues such as the meaning and sources of

moral responsibility normality treatment and identity They also explore more practical issues such as how responsibility for children is practiced in Yoruba culture in Nigeria or how parents and health professionals in Belgium perceive the dilemmas generated by prenatal diagnosis

Building a Learning Culture in America Kevin P. Chavous, 2016-09-30 Building a Learning Culture in America takes an incisive no holds barred look at how America embraced and cultivated a culture of learning in the past how that culture declined in the sixties and seventies and what must be done to regain it From political gridlock to systemic discrimination Chavous details the many ways education today is off track and cites specific examples of what Americans might do to reform it Part memoir and part manifesto this is a frank fascinating and personal account of Chavous experience as a politician working to enact school choice in Washington DC and throughout the United States During the course of his political career he has seen political skirmishes and party scuffles interfere with the United States ability to improve its educational system These conflicts did not cause the problem they were merely a result The true problem was more basic the decline of America s learning culture This pivotal work calls for Americans to unite in making the changes needed to reestablish a learning culture as an inherent piece of the American national fabric and tells us how to begin

Women in the Museum Joan H. Baldwin, Anne W. Ackerson, 2017-06-26 The number of women working in museum settings has grown exponentially since the start of the twentieth century Women in the Museum explores the professional lives of the sector s female workforce today and examines the challenges they face working in what was until recently a male dominated field Drawing on testimony gathered from surveys focus groups and interviews with female museum professionals the book examines the nature of gender bias in the profession as well as women s varied responses to it In doing so it clarifies how women s work in museums differs from men s and reveals the entrenched nature of gender bias in the museum workplace Offering a clear argument as to why museums must create foster and protect an equitable playing field the authors incorporate a gender equity agenda for individuals institutions graduate programs and professional associations Written by experienced museum professionals Women in the Museum is the first book to examine the topic in depth It is useful reading for students and academics in the fields of museum studies and gender studies as well as museum professionals and gender equality advocates

Mission in Context: In Search of Asian Strategic Communication of the Gospel

Thang Deih Lian Davidlianno, 2018-05-09 There is a profusion of missional issues emerging in the Asian fields that call Christ's followers to actively witnessing the Truth Missionaries from different continents have come to serve the Asian nations and yet these God's loving missionaries effectiveness often seem to have left in the shade by some damaging fruits and sometimes being too much of Westernness stemming from a diversity of lacking knowledge particularly the local contexts to contextualize and lack of preparation The irrefutable finding is appealing within the Asian mission study in regard to the essentiality in equipping the Christians so that the ministries in Asia will experience the effectiveness in cultivating the diverse contexts cultures with the text Scripture they have Many principles and practical information from this book grew out of the authors experiences and the reflection of Missiologists and scholars such as Andrew Walls Christopher Wright Kazoh Kitamori Paul Hiebert etc
