on conscience complicity and courage Blending frontline reportage historical documentation and moral testimony Kai challenges readers not just to learn but to feel to reckon He draws on legal frameworks Jewish and Palestinian voices and the blunt facts of genocide and apartheid to expose the cost of global indifference In doing so he offers no easy comfort only the conviction that truth telling is the first step toward justice Jorah Kai dismantles the moral gaslighting that brands dissent as hatred proving that equating critics of genocide with bigots isn't a defense of Jews it's an unsustainable defense of apartheid Don't Look Away is not a call to arms It is a call to heart to witness To act To refuse silence in the face of atrocity This is not a book about politics It is a book about children about the stories we tell and the ones we're too afraid to face Released June 15 2025 in solidarity with the Global March to Gaza tens of thousands of activists from over fifty countries rallying at the gates of Rafah to demand an end to siege and starvation this book joins their cry Enough Let it be said that we did not stay silent
