Picture Book Toddlers 2025 Edition

Perry Nodelman

Picture Book Toddlers 2025 Edition:

I Know the Whale (A Social Emotional Picture Book for Kids) Robin Yardi, 2025-04-01 When a little girl discovers a beached blue whale the biggest mammal on earth teaches her some of the largest lessons in life about the beauty in all things big or small I know the whale lived I know the whale sang But when it washes ashore the whale isn't singing anymore The little girl doesn't know how to feel and Papa tries to answer all her questions about it Time passes and the whale and Papa aren't there anymore But when it's announced that the whale's bones will be displayed at the local museum she knows she has to see it again And even though it's gone she knows that the whale is still just as beautiful as all the quiet wonderings she has about where it might be now This poignant picture book touches on the grief and beauty of death and loss wonder at the scientific and spiritual unknown and the space to embrace big questions and feelings **Children's Writers' & Artists'**

Yearbook 2025, 2024-10-08 Foreword by Alice Oseman creator of the million copy bestselling Heartstopper books This is not a book it is a sky filled with possibility so let its wisdom lift you and soar Joseph Coelho Children's Laureate Celebrating its 21st edition this indispensable Children's Writers Artists Yearbook provides everything you need to know to get your work noticed With thousands of up to date contacts and inspiring articles from dozens of successful writers illustrators and industry insiders it is the ultimate resource on writing and publishing for children of all ages Packed with insights and practical tips it provides expert advice on submitting to agents and publishers writing non fiction and fiction across genres and formats poetry plays broadcast media and illustration self publishing copyright finances and contracts marketing prizes and festivals and much much more New content in this edition include articles on Your Author Brand by Tom Palmer Getting Published by Hannah Gold Writing with empathy by Camilla Chester What an indie bookshop can offer authors by Carrie Tim Morris Between the covers of this book is everything you need to know to get published Julia Donaldson Children's Writers' & Artists' Yearbook 2025 Bloomsbury Publishing, 2024-08-01 Foreword by Alice Oseman creator of the million copy bestselling Heartstopper books This is not a book it is a sky filled with possibility so let its wisdom lift you and soar Joseph Coelho Children's Laureate Celebrating its 21st edition this indispensable Children's Writers Artists Yearbook provides everything you need to know to get your work noticed With thousands of up to date contacts and inspiring articles from dozens of successful writers illustrators and industry insiders it is the ultimate resource on writing and publishing for children of all ages Packed with insights and practical tips it provides expert advice on submitting to agents and publishers writing non fiction and fiction across genres and formats poetry plays broadcast media and illustration self publishing copyright finances and contracts marketing prizes and festivals and much much more New content in this edition include articles on Your Author Brand by Tom Palmer Getting Published by Hannah Gold Writing with empathy by Camilla Chester What an indie bookshop can offer authors by Carrie Tim Morris Between the covers of this book is everything you need to know to get published Julia Donaldson *Children's Digital Picture Books* Katherine Day, 2024-05-01 During the COVID 19

pandemic lockdowns children's media use increased Mesce et al 2021 while a decrease in print book reading was observed Nolan et al 2022 An increase in tablet use suggests that when children were reading it was mostly online in the form of ePub3 pdf files for illustrated works and prescribed school texts while smartphone use was linked to apps and games Susilowati et al 2021 For many years now children's publishers have experimented with digital picture book formats but have regarded the genre as not suitable for digitisation This book documents the findings of a one year research project engaging the children's publishing sector for feedback on reading trends and digital publishing in picture book genres The research assesses the plight of picture books in the current climate and considers how picture book publishers cater to diverse readerships and new reading platforms post Covid 19 lockdowns and into the digital age Written by an academic and editor with over 15 years industry experience this book offers a nuanced response to children's picture book publishing and reception for librarians teachers publishers and international scholars in the fields of publishing studies library studies early childhood studies early education and childhood psychology

Monsters in the Moonlight Sina Merabian, 2025-12-02

Two little divs set out to make mischief in the human world during winter solstice celebrations

Representations of Art and Art Museums in Children's Picture Books Perry Nodelman, 2024-10-17 What happens when the assumptions and practices of museum curators and art educators intersect with the assumptions and practices of publishing for children This study explores how over three hundred children's picture books most of them published in the last three decades in English introduce children to art and art museums It considers how the books emerge from and relate to a range of theories and assumptions about childhood and childhood development children's literature and culture illustration visual art museology and art education As well as examining how these theories and assumptions influence what picture books teach young readers about visiting museums and about how to look at and think about art it examines which artists and artworks appear most often in picture books and offers a survey of different kinds of art related picture books ones that claim to be purely informational ones that make looking at art a game or a puzzle ones in which children visit art museums and many more Since the books all include reproductions of or allusions to museum artworks the study also considers the problems illustrators face in depicting museum artworks in illustrations in a different style

The Routledge Companion to Children's Literature and Culture Claudia Nelson, Elisabeth Wesseling, Andrea Mei-Ying Wu, 2023-11-30 Focusing on significant and cutting edge preoccupations within children's literature scholarship The Routledge Companion to Children's Literature and Culture presents a comprehensive overview of print digital and electronic texts for children aged zero to thirteen as forms of world literature participating in a panoply of identity formations Offering five distinct sections this volume Familiarizes students and beginning scholars with key concepts and methodological resources guiding contemporary inquiry into children's literature Describes the major media formats and genres for texts expressly addressing children Considers the production distribution and valuing of children's books from an assortment of historical and contemporary

perspectives highlighting context as a driver of content Maps how children's texts have historically presumed and prescribed certain identities on the part of their readers sometimes addressing readers who share some part of the author's identity sometimes seeking to educate the reader about a presumed other and in recent decades increasingly foregrounding identities once lacking visibility and voice Explores the historical evolutions and trans-regional contacts and inter-connections in the long process of the formation of global children's literature highlighting issues such as retranslation transnationalism transculturality and new digital formats for considering cultural crossings and renegotiations in the production of children's literature Methodically presented and contextualized this volume is an engaging introduction to this expanding and multifaceted field

The Book World Today John Hampden, 2025-09-24 Originally published in 1957 The Book World Today was the most comprehensive survey yet attempted of the making and distribution of books in Britain at the time All the main aspects and problems of this complicated process are expounded by men of high standing in their own fields who wrote from expert knowledge Anyone who earned their living from books was likely to find here facts and ideas which were new to them The book has been edited mainly from the publisher's point of view and publishing is given particularly full treatment But the author the agent the booksellers the librarians and the other contributors state their cases freely often expressing views which clash sometimes violently with those of the publishers It is this clash of opinion which gives the book its great importance It would have been challenging stimulating and of practical value to those inside the trade at the time while others would find in it much of interest Today it can be read in its historical context

British Children's Literature of the 19th Century Patrick C. Fleming, 2025-02-27 Many beloved classics of children's literature including Alice's Adventures in Wonderland Peter Pan and The Tale of Peter Rabbit were written at the end of the nineteenth century an era known as the Golden Age of children's literature Notable figures like William Godwin Harriet Martineau Christina Rossetti and Charles Dickens contributed to children's literature while juvenile periodicals first appeared to young readers during this time This is the first comprehensive reference work about the Golden Age of children's literature and the emergence of juvenile literature as a major publishing phenomenon Alphabetical entries include foundational figures like Sarah Trimmer Maria Edgeworth and Mary Martha Sherwood who helped establish the market for children's literature New genres for the time like the moral tale religious fiction children's poetry school stories and prolific authors like Hesba Stretton L T Meade and G A Henty are also included

Jacob's Missing Book Sarah Hoffman, Ian Hoffman, 2024-09-03 Jacob the star of one of the most banned books of the decade is back in Jacob's Missing Book a kid-friendly story about book banning censorship and LGBTQ rights Noah is confused about Emily's family so he asks her who's Pop and who's Dad Jacob knows just how to explain but how can he The penguin book isn't in the library anymore As the day goes on everyone is still talking about the mysterious missing book Ms Reeves tries to explain why the book is no longer in the library and what all the fuss is about In the meantime Jacob hatches a plan to tell the story about Emily's family This book cleverly weaves two critical societal issues into one story book

banning in schools and LGBTQ rights And who is caught in the middle of all this Kids who are eager to see themselves and their families in books feel safe with their experiences and understand that they are loved and supported
