Melanin Is Worth More Than Gold Nnamdi Azikiwe, 2020-05-16 Who would have thought preparations for a March 2014 Sacred Libation Ceremony honoring one hundred forty eight African American women lynched in America would result in the observation melanin is worth more than gold Dr Frances Cress Welsing first told us the chemical melanin is produced through a process known as melanogenesis upon introduction of the chemical tyrosine to the enzyme tyrosinase Melanin is found in such diverse places as bird feathers animal fur reptile scales microorganisms cephalopod ink mushrooms and even fossils Additionally melanin is found in the hair skin and eyes of people Melanin is subjected to intense scientific scrutiny Nevertheless the highly educated people studying it had no idea melanin is worth more than gold In June 2014 a post to the Keyamsha the Awakening blog openly declared melanin was worth 353 a gram and 300 a gram more than gold Shortly afterwards hoaxers began bombarding the blog with comments claiming melanin thieves were harvesting melanin from Black people The hoax was easily falsified The hoaxers made certain to never mention the company selling melanin extracted from the ink of *sepia officinalis* the common cuttlefish During the intervening years the melanin thieves hoaxers persisted in their efforts In March 2017 the melanin thieves hoaxers launched a Melanin Twitter bomb involving the dollar value of melanin after publicity of black women and girls missing in Washington D C was released Their actions exposed a frailty in their psyche They also reveal it is possible to wipe out false information involving melanin and take the melanin challenged inferiority complex aka racism white supremacy along for the ride It then became clear the time had come to enter the fray and dispel the myths about melanin This book completely obliterates the false narrative of melanin Perceiving facts from a melanin centered perspective bestows upon us an expanded awareness of the world and our place in it It helps provide the average person a means to immerse themselves in melaninology and emerge a melaninologist Essentially we get to know ourselves To date no other path for the public to independently verify or falsify outlandish claims regarding melanin being worth more than gold on their own without any guru to guide them have been made available At this writing melanin is worth over 395 a gram more than gold In ancient Kemet misnomered Egypt such words were known as hekau or words of power with the ability to heal For nearly one hundred years since August 13 1920 melanin put the B in R B G and the Black in Red Black and Green as the flag of Africans at home and abroad Those are hekau also Our Blood Our Melanin and Africa unites us More hekau The Afro official currency of the United States of Africa also known as the African Union is worth 2 22 We are swathed in hekau to such an extent Mchakato Wa Uponyaji Swahili for the process of healing has begun All of which indicates we are living in a new era the era when all the generations of man can be called blessed on a planet that works for everyone This era demands we convene the Ubuntu Convention That plebiscite sets the stage for drafting the Ubuntu Declaration In emulating the success of the August 1920 Universal Negro Improvement Association convention we deliberately create the world where we intend to live The revival of the U N I A with 12 million dues paying card carrying
