How Christians Grow Andrew James Prince, 2022-09-27 When someone becomes a Christian they enter into a lifelong journey of God driven transformation into the likeness of Christ But what does this transformation process look like and what means does God use to bring about spiritual growth How does a Christian continue

growing spiritually How do they prevent the practice of the spiritual discipline of meditating on God's word from become mechanical when they may have read through the Bible many times How do they mature in prayer And how do they continue being conformed to the image of Christ for the rest of their lives rather than simply putting their spiritual gearstick into neutral and coasting into eternity This book seeks to answer such questions It begins by exploring the contours of this spiritual transformation into Christlikeness before introducing various means God uses to bring this about The book seeks to give hope and instruction both to the weary and to the strong so that they can grow more like Christ through the means of grace that God has provided

The Authority of Love Greg Williams, 2020-10-22 A wake up call for the modern day American church to restore the Biblical standards of marriage family and the church which are still compelling and transforming Bob Russell Retired Southeast Christian Louisville KY Greg is a down to earth practitioner of faithful Christian living Love and Lordship is in touch with the real world flesh and devil and how each seeks to threaten and corrupt our daily walk with Christ Ken Idleman President retired Ozark Christian College Love what we desperately seek Authority what we doggedly avoid unless we're in control which is not real authority The Authority of Love shows how to bring them together Truth love authority humility a servant's heart all qualities of Christ all qualities we aspire to as disciples of Christ Christ is the Way the Truth and the Life Christ God is Love All Authority has been given to Him and in Him all things were made and exist by Him He is the epitome of Humility He displayed the purest of servant hearts All of these tremendous traits and virtues are found in Him Throughout the centuries we've tried to attain these as noble and good and yet as is so often the case we've defined them in our own terms much to our detriment We separate virtues in order to perfect them in and of ourselves Christ had a better way and in His Kingdom we find that because He embodied and modeled all of these traits and qualities in perfection He calls us to walk accordingly Instead of following culture and separating them attempting to perfect each we would be wise to follow His example as our Lord and see them as inseparable and live them as He did Separating these qualities as we are prone to do in our flesh has never worked The Authority of Love points us to Christ and God's Word and draws on real life stories to show us how Truth Love Authority Humility and a Servant's Heart are embodied in Christ and His Kingdom and how we can follow His lead in our life marriage family and in His Church to show the world a different way His Way If you are serious about walking with Christ as Lord in your life marriage family every area of your life this book is for you As I

wrote this book we found ourselves in the middle of the first global pandemic in a century and political and social upheaval in the US like we've not seen in the last half century Our faith is being tested I believe God is calling Christ's Church to a spiritual awakening not just simply to do church services differently serve more people and accommodate the culture thinking we will reach more It is a call For personal and collective confession and repentance of idolatry and compromise For believers to absolutely make Christ Lord of every part of your life For men to be Godly relational servant leaders as husbands who love their marriage spouse and family above their own success glory and desires just as Christ did for His Bride The Church For marriages to be a positive testimony to the Gospel of Christ so the world will see and know Him To husbands and wives to submit to one another out of reverence for and submission to Christ as Lord To disciple our children in our homes and in all of the above build loving relationships that strengthen Christ's Church To move beyond drawing people into a weekly one hour service or a couple hours of weekly activity to our communities or the world To disciples making disciples in loving relationships and holding each other accountable to obedience as we walk in His Love and Lordship That call is the message of this book Reader's say Greg Williams provides us with a much needed Spiritual gut check in *The Authority of Love* and the guidance we need to get back on track Greg is amazing speaker and author This book is an essential book for our churches and leaders to read and grow in the Lord's will for their life Highly recommend [Live Wise](#) Scott Curtis Meischen, 2023-05-30 Every journey is best pursued by having an authentically wise guidebook to aid us in our understanding of our ULR how to wisely journey through life and reality An authentically wise understanding ULR understanding of life and reality is informed both about how and why to travel journey wisely It is self evident that truth and love matter to a life wisely lived but it is not plainly evident whose explanation of life and reality ELR contains the very best explanation of constitutes enduring truth and authentic love The God of the Bible said if left to ourselves collectively we would be plagued by wars and rumors of wars that famine and pestilence would plague our days And we would also individually and in our intimate relationships as couples and families would find loving oneness much longed for but difficult to find and even more challengingly to sustain Our much self heralded humanly constructed ELRs have not resulted in an enlightenment informed progressively enriched existence but a reality persistently plagued by unity chaos clarity confusion peace despair and all life still finally ends in death We were warned by the God of the Bible we would come to suffer from a mind and heart condition similar to snow blindness termed reality blindness better equipped to see analytically but yet persistently congenitally spiritually blinded Reality blindness is a congenital condition of humanity a manifestation of being spiritually stillborn if we elect to exist outside of a right standing with God When all things are relative being equally true and false at the same time in the same relationship nothing is relevant real gold is equal to fool's gold momentary lust and enduring love are equally valid emotional expressions Humanly sourced understanding results in a form of mental emotional hypothermia reality began at my birth all meaning is temporary and in death we return to nothingness In our various hypothermic states of existence we

numb our inevitable despair by self medications found in drugs sex achievement entertainment etc or some lash out with a coping strategy of hurting themselves or others But wait All is not lost Our existence failure is not new nor unexpected nor unexplained God created us with love hungry hearts only He can satisfy God is both the great physician and ultimate parent who can both heal us spiritual today and gift us with an eternal relationship for all our tomorrows including a post physical death forever home But you have to respond with a yes and to His offer of the Live Wise Solution forgiveness and adoption As directed by God Live Wise is a Jesus sourced how to guidebook for facing life and reality s complexities and messiness with the singularly valuable wisdom and love of God only found in God s ELRs Jesus and the Bible Initially God s offer is a gift of forgiveness of our sins and an outpouring of love and peace that only need be accepted Stop Think Believe You make the call Live Wise

That His Spirit May Be Saved Jeremy M. Kimble,2013-12-10 In an age of tolerance and moral laxity the implementation of church discipline is often looked upon with disdain fear or incredulousness However there is clear biblical precedent for the practice of discipline within a local church context While many are aware of several passages in Scripture that speak to this reality in this work Jeremy Kimble calls readers to observe clear biblical mandates historic precedent as well as theological and practical implications for the practice of church discipline Seeking to venture past the pragmatic discussions surrounding church discipline Kimble articulates for his readers a lucid theological presentation of this topic He argues that discipline serves as a warning of potential end time judgment As such discipline also serves as a means to the sinner s repentance and the perseverance of the saints within that local church This theological understanding of discipline calls pastors and congregations to faithfulness There is a seriousness to church discipline that cannot be ignored and likewise discipline must also be viewed as a mercy knowing it is a means to repentance and enduring in one s faith

1 & 2 Peter and Jude

MacArthur New Testament Commentary Set John MacArthur,2005-10-01 This package includes the complete two volume set of 1 Peter and 2 Peter Jude from the MacArthur New Testament Commentary series The MacArthur New Testament Commentary series continues to be one of today s top selling commentary series These commentaries from respected Bible scholar and preacher John MacArthur give a verse by verse analysis in context and provide points of application for passages illuminating the biblical text in practical and relevant ways In 1 Peter MacArthur demonstrates how this letter written to persecuted believers scattered throughout Asia Minor speaks to faithful Christians suffering today Even when believers face trials and adversity they can rest in their salvation live out their testimony and look forward to Jesus return In 2 Peter Jude both letters address the need to combat false teaching and to strengthen believers in the truth In a day when sound doctrine
