The Cambridge Companion To French Literature Cambridge Companions To Literature:

The Cambridge Companion to the French Novel Timothy Unwin, 1997-10-28 This volume offers a unique and valuable insight into the novel in French over the past two centuries In a series of essays acknowledged experts discuss a variety of topics including nineteenth century realism women and fiction popular fiction experiment and innovation war and the Holocaust the Francophone novel and postmodern fiction They offer a challenging reassessment of major figures while deliberately reading traditional views of literary history against the grain Theoretical discussion is combined with close reading of texts and exploration of context comparison with other genres and other literatures and reference to novels from earlier periods This companionable introduction includes a chronology and guide to further reading From it emerges a strong sense of the vitality and energy of the modern French novel and of the debates surrounding it **The Cambridge**

Companion to French Literature John D. Lyons, 2015-11-26 In this authoritative and accessible account of French literature sixteen essays by leading specialists offer provocative insights into French literary culture its genres movements themes and historic turning points including the cultural and linguistic challenges of today's multi ethnic France The French have over the centuries invented and reinvented writing from the Arthurian romances of Chr tien de Troyes to Montaigne's Essays which gave the world a new literary form and a new standard for writing about personal thought and experience from the highly polished tragedies of French classicism to the satirical novels of the Enlightenment from Proust's explorations of social and sexual mores to the New Novel of the late twentieth century and from Baudelaire's urban poetry to today's poetic experiments with sound and typography The broad scope of this Companion which goes beyond individual authors or periods enables a deeper appreciation for the distinctive literature of France **The Cambridge Companion to French**

Literature, 2018 An authoritative and accessible account of French literature from medieval romance to avant garde poetry It explores the medieval roots of modern literature French tragedy why the Romantics revered nature how Proust helped create the modern novel and the widely varying uses authors have made of the French language The Cambridge

Companion to Medieval French Literature Simon Gaunt, Sarah Kay, 2008-04-10 Medieval French literature encompasses 450 years of literary output in Old and Middle French mostly produced in Northern France and England These texts including courtly lyrics prose and verse romances dits amoureux and plays proved hugely influential for other European literary traditions in the medieval period and beyond This Companion offers a wide ranging and stimulating guide to literature composed in medieval French from its beginnings in the ninth century until the Renaissance The essays are grounded in detailed analysis of canonical texts and authors such as the Chanson de Roland the Roman de la Rose Villon's Testament Chr tien de Troyes Machaut Christine de Pisan and the Tristan romances Featuring a chronology and suggestions for further reading this is the ideal companion for students and scholars in other fields wishing to discover the riches of the French medieval tradition Cambridge Companion to Medieval French Literature Simon Gaunt, Sarah Kay, 2008 Medieval French
