**Susan M. Felch**

## **The Cambridge Companion To Jesus Cambridge Companions To Religion:**

**The Cambridge Companion to Jesus** Markus Bockmuehl, 2001-11-08 This Companion takes as its starting point the realization that Jesus of Nazareth cannot be studied purely as a subject of ancient history a man like any other man History literature theology and the dynamic of a living worldwide religious reality all appropriately impinge on the study of Jesus The two parts of the book roughly correspond to the interdependent tasks of historical description and critical and theological reflection It incorporates the most up to date historical work on Jesus the Jew with the bigger issues of critical method the story of Christian faith and study and Jesus in a global church and in the encounter with Judaism and Islam Written by seventeen leading international scholars the book encourages students of the historical Jesus to discover the vital contribution of theology and students of doctrine to engage the Christ of faith as Jesus the first century Jew **The**

**Cambridge Companion to St Paul** James D. G. Dunn, 2003-10-16 The apostle Paul has been justifiably described as the first and greatest Christian theologian His letters were among the earliest documents to be included in the New Testament and as such they shaped Christian thinking from the beginning As a missionary theologian and pastor Paul's own wrestling with theological and ethical questions of his day is paradigmatic for Christian theology not least for Christianity's own identity and continuing relationship with Judaism The Cambridge Companion to St Paul provides an important assessment of this apostle and a fresh appreciation of his continuing significance today With eighteen chapters written by a team of leading international specialists on Paul the Companion provides a sympathetic and critical overview of the apostle covering his life and work his letters and his theology The volume will provide an invaluable starting point and helpful cross check for subsequent studies

**The Cambridge Companion to Christian Ethics** Robin Gill, 2011-11-24 In this second edition of the best selling Cambridge Companion to Christian Ethics Robin Gill brings together twenty essays by leading experts to provide a comprehensive introduction to Christian ethics which is both authoritative and up to date This volume boasts four entirely new chapters while previous chapters and all bibliographies have been updated to reflect significant developments in the field over the last decade Gill offers a superb overview of the subject examining the scriptural bases of ethics as well as discussing Christian ethics in the context of contemporary issues including war and the arms trade social justice ecology economics medicine and genetics All of the contributors have a proven track record of balanced comprehensive and comprehensible writing making this book an accessible and invaluable source not only for students in upper level undergraduate courses graduate students and teachers but anyone interested in Christian ethics today **The Cambridge**

**Companion to Literature and Religion** Susan M. Felch, 2016-09-12 Each essay in this Companion examines one or more literary texts and a religious tradition to illustrate how we can understand both literature and religion better by looking at them in tandem Unlike most literature and religion books which tend to focus on Christianity and take a highly theoretical approach inappropriate for non specialists The Cambridge Companion to Literature and Religion offers an accessible

treatment of both Dharmic and Abrahamic traditions It provides close readings of texts rather than surveys of large topics making it an ideal resource for undergraduate and graduate students of literature and religion The New Cambridge Companion to Jesus Markus Bockmuehl,2024-11-30 The New Cambridge Companion to Jesus serves as the most up to date guide and resource for understanding Jesus multifaceted legacy enduring impact over time and space and relevance in today s world Integrating textual historical theological and cultural perspectives the essays specially commissioned for this volume also offer a fresh and diverse overview of Jesus significance in contemporary global contexts Key features include insights into Jesus life and teachings his role in different religious traditions and his influence on art music and global cultures The volume also addresses contemporary issues of poverty race and power dynamics making it especially relevant for today s readers The Companion offers a diversity of perspectives from which to approach the unique identity and importance of Jesus beyond the 2020s whether in relation to Christianity s cultural and existential crises in the Americas its precipitous decline in Western Europe or its unprecedented growth and proliferation in Africa and Asia *The Cambridge Companion to the Gospels* Stephen C. Barton,2006-02-07 The four gospels are a central part of the Christian canon of scripture In the faith of Christians this canon constitutes a life giving witness to who God is and what it means to be truly human This volume treats the gospels not just as historical sources but also as crucial testimony to the life of God made known in Jesus Christ This approach helps to overcome the sometimes damaging split between critical gospel study and questions of theology ethics and the life of faith The essays are by acknowledged experts in a range of theological disciplines The first section considers what are appropriate ways of reading the gospels given the kinds of texts they are The second central section covers the contents of the gospels The third section looks at the impact of the gospels in church and society across history and up to the present day **The Cambridge Companion to Christian Doctrine** Colin E. Gunton,1997-06-19 What is Christian doctrine The fourteen specially commissioned essays in this book serve to give an answer to many aspects of that question Written by leading theologians from America and Britain the essays place doctrine in its setting what it has been historically and how it relates to other forms of culture and outline central features of its content They attempt to answer questions such as what has and does Christian doctrine teach about God the creation the human condition and human behaviour and what is the part played in Christian doctrine by the Trinity Jesus Christ and the Holy Spirit New readers will find this an accessible and stimulating introduction to the main themes of Christian doctrine while advanced students will find a useful summary of recent developments which demonstrates the variety coherence and intellectual vitality of contemporary Christian thought *The Cambridge Companion to Christian Doctrine* Colin Ewart Gunton,1999 *A Handbook on the Jewish Roots of the Christian Faith* Craig Evans,David Mishkin,2021-04-18 A Handbook on the Jewish Roots of the Christian Faith is a comprehensive handbook that serves as an introduction to the Jewish roots of the Christian Faith It includes Old Testament background Second Temple Judaism the life of Jesus the New Testament and the early Jewish followers of Jesus It is intended

as a resource for college and or higher education It is no longer a novelty to say that Jesus was a Jew In fact the term Jewish roots has become something of a buzzword in books articles and especially on the internet But what does the Jewishness of Jesus actually mean and why is it important This collection of articles aims to address those questions and serve as a comprehensive yet concise primer on the Jewish roots of the Christian faith It consists of thirteen chapters most of which are divided into four or five articles It is in a handbook format meaning that each article is brief but informative The thirteen chapters are grouped into four major sections 1 The Soil 2 The Roots 3 The Trunk and 4 The Branches Craig A Evans PhD DHabil is the John Bisagno Distinguished Professor of Christian Origins at Houston Baptist University in Texas He is a frequent contributor to scholarly journals and the author or editor of over seventy books Evans resides in Houston TX David Mishkin PhD serves on the faculty of Israel College of the Bible in Netanya Israel He is the author of *The Wisdom of Alfred Edersheim and Jewish Scholarship on the Resurrection of Jesus* [The Cambridge Companion to Martin Luther](#) Donald K. McKim, 2003-07-10 Martin Luther 1483 1546 stands as one of the giant figures in history His activities writings and legacy have had a huge effect on the western world This Cambridge Companion provides an accessible introduction to Martin Luther for students of theology and history and for others interested in the life work and thought of the first great Protestant reformer The book contains eighteen chapters by an international array of major Luther scholars Historians and theologians join here to present a full picture of Luther s contexts the major themes in his writings and the ways in which his ideas spread and have continuing importance today Each chapter serves as a guide to its topic and provides further reading for additional study The Companion will assist those with little or no background in Luther studies while teachers and Luther specialists will find this accessible volume an invaluable aid to their work
