The Challenge Of Jesus Rediscovering Who Jesus Was And Is:

The Challenge of Jesus Nicholas Thomas Wright, 2000-01-01 This text answers the scepticism about the need for a historical understanding of Jesus and shows how this can affect Christian discipleship today It explores Jesus preaching his Messiahship and death and his self understanding in relation to God The book goes on to ask what does this imply What should this mean for us What in fact is the mission of the church grounded in this Jesus and this resurrection to our postmodern world **The Challenge of Jesus** Nicholas Thomas Wright, 1999 The author presents a study of the historical Jesus within the Palestinian world of the first century as he challenges Christians to discover more of the background of Jesus

Jesus "The Way, The Truth and The Life" Thd Bish, 2011 Jesus The Way The Truth and The Life will prove that Jesus is the only Way to God the very embodiment of all Truth and the very essence of Life just as He declared of Himself in the fourteenth chapter and sixth verse of the gospel of John by saying I am the way the truth and the life and that no one comes to the Father except through Me This book will show using systematic theology proofs and truth arguments that Jesus is exactly who He says He is confirmed by God the Father the Holy Spirit and by Christ Himself Jesus said in Mark 8 27 of scripture Who do you say I Am This book will make it obvious why you must answer this pointed question just as Peter did in claiming to Jesus that You are the Christ the Son of the Living God Time is getting short and Jesus is on His way back to earth It s not a time to be confused or wrong on issues having eternal consequences Though the book reads as a college textbook it forces you to think and study the word of God The book is most valuable in a curriculum setting or for those interested in Christian apologetics Jesus is compared to a myriad of other secular philosophies both past and present and as a result it is conclusively obvious that Jesus is the way truth and the life and all others are false This book stands on the foundation that a relationship with God thru Christ is by faith alone Sola Fide by grace alone Sola Gratia by Christ alone Solus Christus by scripture alone Sola Scriptura and with glory to God alone Soli Deo Gloria Dr Ronald N Bish ThD received his Doctorate from Freedom Bible College in Systematic Theology and Apologetics and also holds a Master Degree in Mechanical Engineering For further information contact www.ronaldbish.com **Jesus the Reason** James W. Sire, 2018-09-20 Why do you believe

that Christianity is true The best reason is Jesus himself In these eight studies on passages from the Gospels of Mark and Luke James W Sire invites you to meet the unique Jesus by digging deep into the Bible You ll discover what Jesus said and did You ll also be encouraged to decide what place Jesus has in your life today This revised LifeBuilder Bible Study features additional questions for starting group discussions and for meeting God in personal reflection together with expanded leader s notes and a Now or Later section in each study **The Beauty of the Lord** Jonathan King, 2018-05-30 Why is God s beauty often absent from our theology Rarely do theologians take up the theme of God s beauty even more rarely do they consider how God s beauty should shape the task of theology itself But the psalmist says that the heart of the believer s desire is to behold the beauty of the Lord In The Beauty of the Lord Jonathan King restores aesthetics as not merely a valid

lens for theological reflection but an essential one Jesus our incarnate Redeemer displays the Triune God's beauty in his actions and person from creation to final consummation How can and should theology better reflect this unveiled beauty The Beauty of the Lord is a renewal of a truly aesthetic theology and a properly theological aesthetics *Participation and Covenant* Dick Moes, 2024-03-13 In *Participation and Covenant* Contours of a Theodramatic Theology Moes develops a theological framework that has participation in the life of God in Christ through the Spirit as its integrative center In doing so he enters into conversation with covenant or federal theology particularly as it has been presented by Michael Horton in which the integrative center is the concept of the covenant He argues that God's fundamental relationship with humanity does not entail a covenant ontology a fundamentally legal and ethical relationship to God as we find in Horton's presentation but rather an ontology of participating in God's loving presence in Christ through the Holy Spirit For this relationship we were created and this participation is therefore natural to us Accordingly a theodramatic framework that incorporates a reframed understanding of divine human covenants and that has participation in the life of God in Christ by the Spirit as its integrative center is better able to give direction for clearly communicating the gospel in our secular culture and for properly shaping our Christian identity and practice in the face of the secularism that affects the church too than Horton's framework of covenant theology *The Spirit Renews the Face of the Earth* Amos Yong, 2009-04-01 The twelve chapters here represent both Pentecostal reflections responses to the science religion discussion and Pentecostal contributions to the ongoing exchange by biblical studies specialists historians and theologians among those trained in other disciplines Together the essayists model an actual dialogue in which Pentecostal scholarly reflection is impacted by science religion discourses on the one hand while Pentecostals reach deep into their own tradition to explore how their pre understandings and commitments might enable them to speak with their own voice into pre existing conversations on the other hand From publisher's description **Christian Morality** Geoffrey W. Sutton, Brandon Schmidly, 2016-08-08 Should society care about Christian morality Are Christians out of touch with complex moral decision making *Christian Morality An Interdisciplinary Framework for Thinking about Contemporary Moral Issues* provides readers with a framework for identifying and applying Christian moral principles to divisive issues First readers learn of the theological and philosophical foundations of Christian ethics Two additional chapters explain how personal and social factors influence our capacity to think critically and Christianly about morality Second readers will learn about forming Christian moral judgments by seeing how different thinkers address six contemporary moral issues abortion same sex relationships equal treatment of men and women in the workplace sex education and racial bias in incarceration polices **Anthropophany** Jacob Kavunkal, 2008 **Setting the Spiritual Clock** Paul Louis Metzger, 2020-11-15 Various Christian traditions mark their calendars to reflect the biblical and ecclesial narrative and enhance public worship Such efforts safeguard against secularization's encroachment in the church's life *Setting the Spiritual Clock* serves as a guide and traveling companion for the liturgical year which circles the glorious Son as

he breaks through the secular eclipse
