The Christ Letters Ellias Lonsdale, Theanna Lonsdale, 2012-12-11 Before she died Theanna then Sara Lonsdale developed a means to continue communication with her husband Ellias Her words from beyond death's doors first appeared in *The Book of Theanna* an introduction to the many realms of consciousness Now Ellias has gathered and transcribed *The Christ Letters* a collection of detailed accounts of Theanna's encounters with the Christ presence transmitted at Christmas and Easter time over the course of several years Drawing deeply on the feminine aspect of consciousness and framing her discussion around the astrological qualities of each of the seven classical planets Theanna reexamines the figure of Christ and his teachings exploding the myths imposed on Christ by church based Christianity What emerges is an unusual and inspirational account of the journey each one of us must take from the darkest places of consciousness to eventual resurrection into the light of redemption Not just another account of life after death nor a channeled book in the usual sense *The Christ Letters* enacts a virtually ignored method of spiritual communication Theanna's principal goal is to make her process available collectively so that from this point on people will discover inside their own strength of being a Christ presence something unexpected and wildly unknown

Williams, 2024-06-18 After a substantial new essay examining the nature of a properly skeptical historical inquiry into Jesus of Nazareth in the context of contemporary worldviews from pre modernism to meta modernism *Behold the Man* presents revised essays on an eclectic range of issues from how the Epistle of James treats Jesus as Divine within decades of the crucifixion and an evaluation of recent arguments about the dating of the Fourth Gospel to debunking claims about Jesus and ancient aliens and furthering debate about the resurrection With a foreword by eminent New Testament scholar Craig L. Blomberg and extensive recommended resources *Behold the Man: Essays on the Historical Jesus* represents a wide ranging interdisciplinary engagement with historical Jesus studies
