The Cambridge Dictionary Of Classical Civilization:

The Cambridge Dictionary to Classical Civilization Graham Shipley, 2006 *The Cambridge Dictionary of Classical Civilization* ,2008 **Cambridge dictionary of Classical civilization** Graham Shipley (et al., eds),2008 **The Oxford Classical Dictionary** Simon Hornblower, Antony Spawforth, Esther Eidinow, 2012-03-29 The revised third edition of the Oxford Classical Dictionary is the ultimate reference on the classical world containing over 6 200 entries The 2003 revision includes minor corrections and updates and all Latin and Greek words in the text are now translated into English

Geographers of the Ancient Greek World: Volume 1 D. Graham J. Shipley, 2024-04-18 Ancient Greek geographical writing is represented not just by the surviving works of the well known authors Strabo Pausanias and Ptolemy but also by many other texts dating from the Archaic to the Late Antique period Most of these texts are however hard for non specialists to find and many have never been translated into English This volume the work of an international team of experts presents the most important thirty six texts in new accurate translations In addition there are explanatory notes and authoritative introductions to each text which offer a new understanding of the individual writings and demonstrate their importance no longer marginal but in the mainstream of Greek literature and science The book includes twenty eight newly drawn maps images of the medieval manuscripts in which most of these works survive and a full Introduction providing a comprehensive survey of the field of Greek and Roman geography **The Oxford Handbook of the History of Education** John L. Rury, Eileen Tamura, 2019 This handbook offers a global perspective on the historical development of educational institutions systems of schooling educational ideas and educational experiences Its 36 chapters consider the field s changing scholarship while examining particular national and regional themes and offering a comparative perspective Each also provides suggestions for further research and analysis *The Roman World 44 BC-AD 180* Martin Goodman, 2013-06-17 The Roman World 44 BC AD 180 deals with the transformation of the Mediterranean regions northern Europe and the Near East by the military autocrats who ruled Rome during this period The book traces the impact of imperial politics on life in the city of Rome itself and in the rest of the empire arguing that despite long periods of apparent peace this was a society controlled as much by fear of state violence as by consent Martin Goodman examines the reliance of Roman emperors on a huge military establishment and the threat of force He analyses the extent to which the empire functioned as a single political economic and cultural unit and discusses region by region how much the various indigenous cultures and societies were affected by Roman rule The book has a long section devoted to the momentous religious changes in this period which witnessed the popularity and spread of a series of elective cults and the emergence of rabbinic Judaism and Christianity from the complex world of first century Judaea This book provides a critical assessment of the significance of Roman rule for inhabitants of the empire and introduces readers to many of the main issues currently faced by historians of the early empire This new edition incorporating the finds of recent scholarship includes a fuller narrative history expanded sections on the history of women

and slaves and on cultural life in the city of Rome many new illustrations an updated section of bibliographical notes and other improvements designed to make the volume as useful as possible to students as well as the general reader

Diversity of Sacrifice Carrie Ann Murray, 2016-05-09 The term sacrifice belies what is a complex and varied transhistorical and transcultural phenomenon Bringing together scholars from such diverse fields as anthropology archaeology epigraphy literature and theology Diversity of Sacrifice explores sacrificial practices across a range of contexts from prehistory to the present Incorporating theory material culture and textual evidence the volume seeks to consider new and divergent data related to contexts of sacrifice that can help broaden our field of vision while raising new questions The essays contributed here move beyond reductive and simple explanations to explore complex areas of social interaction Sacrifice plays a key role in the overlapping sacred and secular spheres for a number of societies in the past and present How religious beliefs and practices can be integral parts of life on individual and community levels is of fundamental importance to understanding the past and present In addition to aiding scholarly research Diversity of Sacrifice enables students to explore this rich theme across Europe and the Mediterranean with clear discussions of theory and data

Alexander the Great Waldemar Heckel, Lawrence A. Tritle, 2011-09-19 Alexander the Great A New History combines traditional scholarship with contemporary research to offer an innovative treatment of one of history's most famous figures Written by leading experts in the field Looks at a wide range of diverse topics including Alexander's religious views his entourage during his campaign East his sexuality the influence of his legacy and his representations in art and cinema Discusses Alexander's influence from his impact on his contemporaries to his portrayals in recent Hollywood films A highly informed and enjoyable resource for students and interested general readers
