

A photograph of three Chinese men standing outdoors. The man on the left is wearing a dark jacket and has his arms crossed. The man in the middle is wearing a green jacket and is holding a sign. The man on the right is wearing a plaid shirt and has his hand to his face. In the foreground, a man is crouching, wearing a cap and a green jacket, holding a sign that reads '力工 防水 刮大白' (Laborer, Waterproofing, Plastering).

The Chinese Worker After Socialism:

The Chinese Worker after Socialism William Hurst, 2009-03-05 While millions in China have been advantaged by three decades of reform impressive gains have also produced social dislocation Groups that had been winners under socialism find themselves losers in the new order Based on field research in nine cities across China this fascinating study considers the fate of one such group 35 million workers laid off from the state owned sector The book explains why these lay offs occurred how workers are coping with unemployment what actions the state is taking to provide them with livelihoods and re employment and what happens when workers mobilize collectively to pursue redress of their substantial grievances What happens to these people the remnants of the socialist working class will be critical in shaping post socialist politics and society in China and beyond

The Chinese Worker After Socialism William Hurst, 2009-03-05 This fascinating study considers the fate of 35 million workers laid off from the state owned sector in China

Chinese Society Elizabeth J. Perry, Mark Selden, 2010 This bestselling introduction to Chinese society uses the themes of resistance and protest to explore the complexity of life in contemporary China An interdisciplinary and international team of China scholars draw on perspectives from sociology anthropology psychology history and political science and covers a broad range of issues Topics covered include labour and environmental disputes rural and ethnic conflict migration legal challenges intellectual and religious dissidence opposition to family planning The newly revised third edition adds two new chapters on gender and the family and the reform of the Hukou system thus providing a comprehensive text for both undergraduates and specialists in the field encouraging the reader to challenge conventional images of contemporary Chinese society

Inside China's Automobile Factories Lu Zhang, 2015 In *Inside China's Automobile Factories* Lu Zhang explores the current conditions subjectivity and collective actions of autoworkers in the world's largest and fastest growing automobile manufacturing nation Based on years of fieldwork and extensive interviews conducted at seven large auto factories in various regions of China Zhang provides an inside look at the daily factory life of autoworkers and a deeper understanding of the roots of rising labor unrest in the auto industry Combining original empirical data and sophisticated analysis that moves from the shop floor to national political economy and global industry dynamics the book develops a multilayered framework for understanding how labor relations in the auto industry and broader social economy can be expected to develop in China in the coming decades

The Handbook of Digital Labor Jack Linchuan Qiu, Shinjoung Yeo, Richard Maxwell, 2025-04-29 Provides a global perspective on labor and technology exploring resistance solidarity and alternatives in digital capitalism The Handbook of Digital Labor critically examines how digital technologies are reshaping work and employment around the globe Bridging historical and contemporary perspectives this timely volume explores the dynamics of labor within digital capitalism using a critical framework that illuminates the systemic challenges faced by workers across diverse sectors Dozens of contributing authors address key challenges including surveillance inequality and environmental exploitation while highlighting

Social Protest in Contemporary China, 2003-2010 Yanqi Tong, Shaohua Lei, 2013-11-12 China's economic transformation has brought with it much social dislocation which in turn has led to much social protest This book presents a comprehensive analysis of the large scale mass incidents which have taken place in the last decade The book analyses these incidents systematically discussing their nature causes and outcomes It shows the wide range of protests tax riots land and labour disputes disputes within companies including private and foreign companies environmental protests and ethnic clashes and shows how the nature of protests has changed over time The book argues that the protests have been prompted by the socioeconomic transformations of the last decade which have dislocated many individuals and groups whilst also giving society increased autonomy and social freedom enabling many people to become more vocal and active in their confrontations with the state It suggests that many protests are related to corruption that is failures by officials to adhere to the high standards which should be expected from benevolent government it demonstrates how the Chinese state far from being rigid bureaucratic and authoritarian is often sensitive and flexible in its response to protest frequently addressing grievances and learning from its own mistakes and it shows how the multilevel responsibility structure of the Chinese regime has enabled the central government to absorb the shock waves of social protest and continue to enjoy legitimacy

Justice Flora Sapio, Susan Trevaskes, Sarah Biddulph, Elisa Nesossi, 2017-07-27 A conceptual based analysis of China's legal and justice systems and their social and political impact in the twenty first century

Labor, Class Formation, and China's Informationized Policy of Economic Development Yu Hong, 2011-03-31 In Labor Class Formation and China's Informationized Policy of Economic Development Yu Hong examines crucial connections between the evolving political

economy of information and communications technology ICT and the reconstitution of class relations in China Situating China's ICT development over the last thirty years at the intersection of transnational trends domestic policies and institutional arrangements Hong shows how evolving class relations in the ICT sector are shaped by and shaping the transnational capitalist dynamics and domestic socio economic transformations She goes on to argue that the huge and still expanding pool of Chinese ICT workers and their newly attained identities as wage labor rather than consumers constitute a missing but important dimension of human experiences of the rise of the information society *Handbook of Protest and Resistance in China* Teresa Wright, 2019 Featuring contributions from top scholars and emerging stars in the field the Handbook of Protest and Resistance in China captures the complexity of protest and dissent in contemporary China while simultaneously exploring a number of unifying themes Examining how when and why individuals and groups have engaged in contentious acts and how the targets of their complaints have responded the volume sheds light on the stability of China's existing political system and its likely future trajectory Sociology of Work Vicki Smith, 2013-05-16 The simple act of going to work every day is an integral part of all societies across the globe It is an ingrained social contract we all work to survive But it goes beyond physical survival Psychologists have equated losing a job with the trauma of divorce or a family death and enormous issues arise from financial panic to sinking self esteem Through work we build our self identity our lifestyle and our aspirations How did it come about that work dominates so many parts of our lives and our psyche This multi disciplinary encyclopedia covers curricular subjects that seek to address that question ranging from business and management to anthropology sociology social history psychology politics economics and health Features Benefits International and comparative coverage 335 signed entries A to Z fill 2 volumes in print and electronic formats Cross References and Suggestions for Further Readings guide readers to additional resources A Chronology provides students with historical perspective of the sociology of work In the electronic version the comprehensive Index combines with the Cross References and thematic Reader's Guide themes to provide robust search and browse capabilities
