

The Cold War Heats Up

1. As you read the passage, fill in the information you discover about the Soviet-American agreement below.

	What the Soviets Wanted	What the Americans Wanted
1. Would it make any sense to build space weapons and launch them?	That U.S. suspend the prohibition of launching nuclear weapons	Not really
2. Would anyone benefit from the launch and deployment of such weapons?	They would certainly produce advantages that were worth the costs of building, launching, and maintaining them	They were worried about a loss of control over nuclear weapons. They feared that both sides would launch during a crisis and destroy all of mankind. They feared that
3. Would anyone disagree with this?	Not really	Some people in the U.S. were not satisfied with the agreement
4. Would the U.S. believe that the Soviet Union would really comply with the agreement?	Yes. The government had no reason to believe that it would not comply	The American public was suspicious and would not take the agreement too far

2. Suppose the agreement simply set up the program to develop

the space weapons without making any limits

on how many weapons each country could have

What would happen? The government the United States would

the Soviet Union would not get the U.S. and the Soviet
