became twisted truth and distorted tales Now whispers from an ancient realm threaten the peace drawing a lone adventurer into The Depths of Acheron He seeks something from within this sealed domain and those banished want something in return Something belonging to them The time has come for the forgotten to be unveiled and for the sealed to be unbound Only then will the world know true fear The Dream Walker All which had come to pass had led to this Prophecies and events manipulated through shadows had paved the way for his return Sacrifices bled gateways opened and now The Father of Nightmares was free at last This time there would be no mistakes no force with the power required to stand against him The Mystics thought by sealing him within The Forest of The Epiales they had weakened him but instead they had given him the key to victory Now all must unite to prevent the darkness which is to come Should they fail should darkness fall and unleash its ancient gaolers then all hope will be lost
