The 1961-1970: American Film Institute Catalog of Motion Pictures Produced in the United States American Film Institute, 1997 Back in print after more than fifteen years this American Film Institute Catalog covers the decade of the sixties This was the era in which films began to challenge the taboos on sex and violence and treated social issues in a new light Included in this volume are *The Wild Bunch* *Bonnie and Clyde* *Guess Who's Coming to Dinner* and *Who's Afraid of Virginia Woolf* The decade also produced such all time classics as *The Sound of Music* *To Kill a Mockingbird* and *The Graduate*

The Cultural Uses of the Caesars on the English Renaissance Stage Lisa Hopkins, 2016-03-16 Caesarian power was a crucial context in the Renaissance as rulers in Europe Russia and Turkey all sought to appropriate Caesarian imagery and authority but it has been surprisingly little explored in scholarship In this study Lisa Hopkins explores the way in which the stories of the Caesars and of the Julio Claudians in particular can be used to figure the stories of English rulers on the Renaissance stage Analyzing plays by Shakespeare and a number of other playwrights of the period she demonstrates how early modern English dramatists using Roman modes of literary representation as cover commented on the issues of the day and critiqued contemporary monarchs

Blood of the Caesars Stephen Dando-Collins, 2008-02-26 Could the killing of Germanicus Julius Caesar the grandson of Mark Antony adopted son of the emperor Tiberius father of Caligula and grandfather of Nero while the Roman Empire was still in its infancy have been the root cause of the empire's collapse more than four centuries later This brilliant investigation of Germanicus Caesar's death and its aftermath is both a compelling history and first class murder mystery with a plot twist Agatha Christie would envy

Cleopatra Margaret Melanie Miles, 2011-09 The essays in this volume address Cleopatra's life and legacy presenting fresh examinations of her decisions and actions the influence of contemporary Egyptian culture on Rome and the enduring Roman fascination with her story which thrives even today

The Army of the Caesars Michael Grant, 1992 In this dramatic and exciting book the first general history of the army in Roman society Michael Grant shows how the rise and decline of imperial Rome was intimately connected with the balance of political and military power The role of the army in the Roman Empire was a formidable one the emperor depended on the soldiers for his continued existence as the empire itself But an army powerful enough to defend the frontiers and keep the Roman peace also had the power to destroy the emperor Against this ever present danger the emperors took unceasing precautions one of their principal methods being to surround themselves with bodyguards the Praetorian Guard But what began as a protective measure had wider repercussions for the Guard came to play an even greater part in the internal politics of the empire Thus the Roman army was a two edged weapon it maintained the existence of the empire yet at the same time it very often weakened and damaged that empire by removing and setting up emperors amid savage civil strife The history of Rome's military rulers is singularly relevant today for there are still countries in the world where the army is in firm control of the administration The story of *The Army of the Caesars* provides a model of how

civil strife focused around the holders of military power inevitably occurs endangering the precarious equilibrium of large areas of the world Book Jacket The New Peplum Nicholas Diak,2018-01-12 Peplum or sword and sandal films an Italian genre of the late 1950s through the 1960s featured ancient Greek Roman and Biblical stories with gladiators mythological monsters and legendary quests The new wave of historic epics known as neo pepla is distinctly different embracing new technologies and storytelling techniques to create an immersive experience unattainable in the earlier films This collection of new essays explores the neo peplum phenomenon through a range of topics including comic book adaptations like Hercules the expansion of genre boundaries in Jupiter Ascending and John Carter depictions of Romans and slaves in Spartacus and The Eagle and Centurion as metaphors for America s involvement in the Iraq War **Hammer Complete** Howard Maxford,2018-12-31 Think you know everything there is to know about Hammer Films the fabled Studio that Dripped Blood The lowdown on all the imperishable classics of horror like The Curse of Frankenstein Horror of Dracula and The Devil Rides Out What about the company s less blood curdling back catalog What about the musicals comedies and travelogues the fantasies and historical epics not to mention the pirate adventures This lavishly illustrated encyclopedia covers every Hammer film and television production in thorough detail including budgets shooting schedules publicity and more along with all the actors supporting players writers directors producers composers and technicians Packed with quotes behind the scenes anecdotes credit lists and production specifics this all inclusive reference work is the last word on this cherished cinematic institution **Stardust International Raceway** Randall Cannon,Michael Gerry,2018-10-02 Professional motorsports came to Las Vegas in the mid 1950s at a bankrupt horse track swarmed by gamblers and soon became enmeshed with the government and organized crime By 1965 the Vegas racing game moved from makeshift facilities to Stardust International Raceway constructed with real grandstands sanitary facilities and air conditioned timing towers Stardust would host the biggest racing names of the era Mario Andretti Parnelli Jones John Surtees Mark Donohue Bobby Unser Dan Gurney and Don Garlits among them Established by a notorious racketeer the track stood at the confluence of shadowy elements wiretaps casino skimming Howard Hughes and the beginnings of Watergate The author traces the Stardust s colorful history through the auto racing monthlies national newspapers extensive interviews and the files of the FBI *Proceedings of the Danish Institute at Athens IX* Nicolai Mariegaard,Kristina Winther Jacobsen,2019-08-01
