

The Christ Of The Covenants

O. Palmer Robertson

The Christ Of The Covenants:

The Christ of the Covenants O. Palmer Robertson, 1980 Presents the richness of a covenantal approach to understanding the Bible Treats the OT covenants from a successive standpoint

Encountering Christ in the Covenants Daniel McManigal, 2013-04-12 Encountering Christ in the Covenants has been written for people who are new to covenant theology and want to better understand how the great covenants in Scripture reveal Christ Readers will be helped by the many references to the Reformed confessions and catechisms which are interspersed throughout the pages of this book The study questions which follow each chapter are designed so that the book can be used in small group study Sometimes we make basic concepts more difficult Covenant is not only a recurring topic in Scripture but the way in which the biblical plot is structured Often it helps when those explaining it have discovered a doctrine rather than inherited it That is certainly evident in this book I hope it enjoys a wide readership

MICHAEL HORTON J Gresham Machen Professor of Systematic Theology and Apologetics Westminster Seminary California The revival of interest in the doctrine of the biblical covenants is bearing the fruit of some excellent books on the subject over the past several decades McManigal has provided a rich coverage of this central doctrine by winsomely presenting his material from a pastoral perspective The narrative style follows the unfolding biblical story in ten thorough chapters culminating in the new covenant with a surprise ending dealing with the sacraments of baptism and the Lord's Supper Finally its christological focus makes it a standout book I highly recommend this book as a primer in covenant theology for instruction in the local church but it will also serve well as an apologia to give to those who are unfamiliar with or perhaps even disagree with covenant theology

DR GREGORY EDWARD REYNOLDS is the pastor of Amoskeag Presbyterian Church in Manchester New Hampshire author of *The Word Is Worth a Thousand Pictures Preaching in the Electronic Age* 2001 and editor of *Ordained Servant A Journal for Church Officers*

Pastor Dan McManigal's *Encountering Christ in the Covenants* introduces the covenantal structure of the whole Bible's story of redemptive history showing how each advance in God's covenant bond with his people leads closer and closer to Jesus Christ the mediator of the new covenant and the focus and fulfillment of all the covenants *Encountering Christ* combines clear explanation with theological richness providing spiritual nurture for mind and soul

DENNIS E JOHNSON Ph D Professor of Practical Theology Westminster Seminary California Dan McManigal has provided the Church with a much needed book The book is a rare balance between solid biblical truth and a writing style that is a delight to read His chapters flow effortlessly and if the reader wants to ignore the footnotes he or she may although I strongly advise you to read them for they are filled with essential works The reader will also be greatly aided by the fact that the writing is always in conversation with Scripture In short this work offers a valuable tool that explains a key to open and understand the warp and woof of the Word of God

DR RON GLEASON Ph D is the pastor of Grace Presbyterian Church in Yorba Linda California and author of *Herman Bavinck Pastor Churchman Statesman and Theologian* 2010

WHITE (of Haddington.),1844 **The Covenant Theology of Jonathan Edwards** Paul J. Hoehner,2021-05-13 As a theologian in the Reformed tradition covenant theology was for Jonathan Edwards the internal scaffolding that gave shape to the biblical story of redemption The establishment of the eternal rule of righteousness as the basis of the believer s communion with God and eternal happiness is a central theme beginning with the Covenant of Works grounded in the eternal Covenant of Redemption and culminating in the Covenant of Grace It is the basis for the law gospel distinction in Edwards and the early architects of federal theology For the God intoxicated New England Puritan preacher this was no dry academic exercise Rather it was a joyous and affectionate discovery and embrace of what God had ordained in eternity what Christ accomplished in history on the cross and what the Holy Spirit is doing and will complete in the church This study grew out of current discussions in Reformed scholarship questioning aspects of traditional covenant theology As a key transitional figure in the history of Reformed theology Edwards s thinking is still relevant The richness and depth of Edwards s vision of redemptive history provides a clear and comprehensive understanding of his Reformed soteriology and the role of evangelical obedience in justification **A Communion of Love** Jordan Stone,2019-03-05 Few figures in church history that died before the age of thirty have left such a lasting legacy as Robert Murray M Cheyne 1813 43 His name is virtually synonymous with the pursuit of personal holiness M Cheyne was a living testimony to Scripture s command to let no one despise you for your youth but set the believers an example in speech in conduct in love in faith in purity 1 Tim 4 12 His ardent praying preaching and progress in godliness continue to captivate countless Christians around the world The model of piety found in M Cheyne s life and ministry provides needed encouragement for properly understanding biblical spirituality What was the main fuel of his spirituality Love for Jesus Christ In A Communion of Love Jordan Stone argues that rightly understanding M Cheyne s spirituality must begin with the fundamental issue of why he pursued the means of grace as he did before reckoning with how he used those means Such a reorientation reveals that loving communion with Christ was the all consuming driving force for M Cheyne s vision of the Christian life **Outward Baptism Not a Condition of the Christian Covenant ...** Henry Martyn Sherwood (Vicar of White Ladies, Aston.),1857 **Outward Baptism not a condition of the Christian Covenant, and Paul altogether supreme over the Christian Churches, proved from Holy Scripture** Henry Martyn SHERWOOD,1857 □□□□□□ □□□ *The two Covenants; or Mosaism and Christianity* J.
