How do we make sense of our lives when our world seems to be falling apart? This beautifully written guide from scholar and teacher Stephen Cope shows that crises don't have to derail us from our purpose; they can actually help us to find our purpose and step forward as our best selves. In this sequel to his best-loved book *The Great Work of Your Life*, Cope again takes the ancient yogic text the *Bhagavad Gita*, the epic narrative of the warrior Arjuna's odyssey of self-discovery as a roadmap for our journey to our own true calling. Then he builds on that foundation using the stories and teachings of famous figures as well as stories of ordinary people and his own rich personal experience. Along the way we find striking examples for finding meaning and purpose in our lives. Gandhi shows how to tap our spiritual resources and listen for our inner voice. Sojourner Truth and Henry David Thoreau inspire us to seek out the unmistakable signs of dharma in the midst of chaos. Marian Anderson and

Ruby Sales shed light on dharma's mystic power and how we learn to trust in it And more In the spirit of Pema Chodron's When Things Fall Apart this book is required reading when you find yourself forging a path through crisis or seeking a way through your darkest times to your truest self *The World of the Civil War* Lisa T.
