Andrew Wojcikiewicz

The Cleansing Of The Earth:

The Transformation of a Planet Bobby Wallis, 2008-12 An up to date guidebook for the End Times what the power groups don't want you to know and the information you need to navigate through the coming earth changes and chaos **Journal of Discourses**, 1854 Journal of Discourses Brigham Young, 1855 **The Urim and Thummim** Keith Honaker, 2010-05 Jeff Guthrie and his family are on an infinite journey having no beginning and no end The spirit of each family member has been created and organized from intelligence a substance of the universe Their spirits have always existed and will continue as life everlasting Throughout its existence this family has experienced astonishing adventures including witnessing the creation The war in heaven and many additional pre earth life events The family must go through a probationary period on earth where they become mortal and acquire a flesh and blood body They must face the trials and tribulations of an earthly life devastating wars As well as providing service to others in need and live by every word of God In the spirit world the family struggles for perfection attends the Council of Adam and Eve and undergoes their own resurrections They are then lifted up To The pillars of heaven and later descend To The surface of the reconfigured Edenic earth initiating the beginning of the millennium Here they will find millennial joy and happiness for a thousand years As the sons and daughters of God everything becomes possible We today must keep our eyes singled To The glory of God and strive to reach the goals He has set for us Bridges of Consciousness Kathy Oddenino, 1989 Sacred Ceremony for a Sacred Earth Aniwa Council of Elders, 2025-05-06 Through Indigenous teachings and healing practices Sacred Ceremony for a Sacred Earth calls upon us to awaken and rekindle the flame of connection with our roots and the natural world All Power to the Lamb James R. Johnson, 2011-04 If you were God writing a book you wanted men to understand would you write it in such a way that men would have to make up meaning in order to understand it or would you write it in such a way that those that seek to understand could actually come to a knowledge of its truth Mt 7:7 The present commentary takes the position that God wrote Revelation such that with sufficient effort and intellectual honesty readers can understand it Certainly God uses symbols in Revelation but when He does He provides inspired interpretations of the symbols This commentary seeks to avoid the mistakes of the views that use the symbolical approach to Revelation preterist continuous historical spiritualist and idealist These approaches suffer from two basic flaws assuming the text is symbolical when it is not and making up meaning regarding the text based on stream of consciousness word association much as one would do looking at Rorschach inkblots This commentary seeks to avoid telling God what He should have said and strives to understand what God actually meant Of all the existing approaches to understanding Revelation this commentary is most closely aligned with the dispensationalist premillennialist Left Behind view in that it views Revelation from a literalist perspective It is different from the typical dispensationalist schema in that it views the seven seals as the powers of the Lamb understands the exercise of the powers of the seven seals to be simultaneous processes and casts chapters 8-22 as three parallel prophecies of the Lamb's power over

the course of the histories of Israel the nations and the saints This commentary also makes use of many of the non canonical works that provide insight into the spirit world and detail regarding the end of the present age **Awakening the Pharaoh** Andrew Wojcikiewicz,2009-11 AWAKENING THE PHARAOH How to Avoid World Cataclysm in 2012 The story described in this book refers to real and authentic events and people Since May 2001 we have obtained information on the location of the tomb of Pharaoh who built the Great Pyramid in Egypt This information was obtained from a Polish woman Lucyna Lobos through sessions of hypnotic age regression The excavation of the Pharaoh s tomb and placing the mummy in the sarcophagus of the Great Pyramid is suppose to open the Pyramid and create a protection from catastrophic changes such as global warming and natural disasters especially from the danger of year 2012 i e changing of the Earth polarity According to obtained information the Great Pyramid was constructed about 6 500 years ago by the Pharaoh whose name was THE ONE WHO CAME FROM HEAVEN The main builders of the Pyramid originated from a distant civilization in the Orion Constellation and were from a planet called Ashun During the Pyramid s construction the people of the earth only performed basic lighter tasks In order to empirically validate this information from the age regression sessions with Lucyna Lobos the University of Wroclaw Poland has initiated archeological excavations in the southern mountain in Poland called Sleza in August 2004 These excavations are still proceeding today To further validate this information the University of Cairo performed radar ground penetrating research GPR in the area of the Great Pyramid to the depth of over 60 meters in February 2006 This was achieved with the permission of the Supreme Council of Antiquities in Egypt **The Variety of American Evangelicalism** Donald W. Dayton,2002-05 Those labeled as evangelicals commonly are assumed to constitute a large and fairly homogeneous segment of American Protestantism This volume suggests that in fact evangelicalism is better understood as a set of distinct subtraditions each with its own history organizations and priorities The differences among groups are so important that the question arises Is the term evangelical useful at all This book attempts to enter as sympathetically as possible into the self understandings of movements usually grouped under the evangelical umbrella For each of twelve major traditions a leading scholarly interpreter first articulates the group s theological orientation and then explores the relationship between that movement and broader evangelical issues and organizations Contributors develop remarkably useful and diverse conceptual strategies for charting the complex evangelical landscape In crisp summary chapters the editors draw differing conclusions from the many perspectives offered Donald Dayton wants to abandon the category evangelical altogether Robert Johnston sees the varied traditions as an extended family whose members embody common characteristics to greater or lesser degrees **The Medicine Wheel Saga** Jerome V. Lofgren,2002-10 This third volume in the series finds Charlie Frankson traveling north into the Tlingit country of Southwest Alaska responding to a call for help from an old Tlingit elder There he discovers a land where a time warp has occurred where the past the present and the future exist side by side It is a gripping adventure with modern day implications for the earth s future after the great

asteroid strikes Back of dust jacket
