

A woman with large, white, feathered angel wings is sitting on a white, cloud-like surface. She is wearing a white, sleeveless, knee-length dress and is barefoot. She has brown hair and is looking upwards and to the right with a serene expression. Her hands are clasped over her knees. The background is a soft, white, ethereal landscape.

The Calling My Journey With The Angels:

My Journey with the Angels Patricia Buckley, 2011-02-03 Patricia Buckley is a down to earth mystic gentle funny and practical In the last decade through her joyous embrace of the angels in her life she has been able to give hope to countless wounded souls who have come to her seeking guidance From as early as she can remember Patricia took for granted that she could speak to angels and dead people And though her childhood was blighted by poverty neglect and abuse the spirit world made her feel secure and cherished However after many tough years during which she was committed to a mental ward was nearly killed by an abusive boyfriend and eventually became homeless she gave up on that part of her life Patricia found love in a good marriage and joy in the birth of her children And yet for twenty years she remained fragile and dependent on tranquillisers That was until a chance encounter woke up her hidden spiritual energies and revived her passion for living The time had come to share her gifts with the world Now Patricia shares her story in *My Journey with the Angels* a heart breaking memoir of a Dublin childhood a moving account of how she came to accept her extraordinary gifts and an inspirational guide full of examples from her life and work to the wisdom of the angels [Journey to Love](#) Dolores Eckles, 2014-08-11 *Journey to Love* A Memoir Picture a skier on a mountain standing in front of a black diamond trail He is about to live his life jumping over or maneuvering around a path filled with icy moguls sharp angles twists and turns while picking up speed Although he will enjoy the exhilaration of the adventure he will have to cope solve accept live through and heal from the challenges along the way His goal is to arrive at the finish line of the race intact during his lifetime *Journey to Love* is a metaphor for the skier s journey It is my journey of spiritual quest in learning and growing *Love* A third component is revealed in the final chapter The journey begins with a difficult childhood winds through knowing when to leave each of two marriages choosing a rewarding career traveling on six continents to see that humanity is one having the gifts of intuition and moxie being in chronic pain for the past year and one half and overcoming health pancreatic cancer survivor and other challenges Lifelines on the journey are inspirational quotes therapies attitudes angels paranormal experiences and resources from extensive research reading on life and its purpose It is my hope that my journey will assist others over the moguls challenges in their lives **While the Stars Are at Play** Jennifer Rogers, 2013-03 Children already know better than we do that mysticism is real and divinely simple but they sometimes need reminding of their sacred place when facing real life difficulties This book is meant to inspire children and the adults who read it with them to remember their connection to all things light and wonderful in the universe Jennifer Rogers has written a stunning spiritual children s book unlike any other *While The Stars Are At Play* is filled with hope inspiration and guidance This book is a reminder that light is at the core of every child and thus a source of self worth self healing and self trust There is no greater gift that she could share with the precious beings who will one day be the caretakers of our planet Although my children are older they absolutely loved it and have reread it more times than I could count This is a must read for every child and a perfect book to share Kim O Neill
