The Case Book Of Sherlock Holmes:

The Case Book of Sherlock Holmes Arthur Conan Doyle, 1927 **The Casebook of Sherlock Holmes and His Last Bow** Sir Arthur Conan Doyle, Arthur Conan Doyle, 1995-09-06 These two fascinating sets of stories The Casebook of Sherlock Holmes and His Last Bow make a glorious farewell to the greatest detective of them all and his erstwhile companion Dr Watson The Casebook of Sherlock Holmes Arthur Conan Doyle, 2020-07-03 The last twelve stories written about Holmes and Watson these tales reflect the disillusioned world of the 1920s in which they were written Some of the sharpest turns of wit in English literature are contrasted by dark images of psychological tragedy suicide and incest in a collection of tales that have haunted generations of readers **The Case Book of Sherlock Holmes** Sir Arthur Conan Doyle, 1993-01-01 I fear that Mr Sherlock Holmes may become like one of those popular tenors who having outlived their time are still tempted to make repeated farewell bows to their indulgent audiences This must cease and he must go the way of all flesh material or imaginary One likes to think that there is some fantastic limbo for the children of imagination some strange impossible place where the beaux of Fielding may still make love to the belles of Richardson where Scott's heroes still may strut Dickens's delightful Cockneys still raise a laugh and Thackeray's worldlings continue to carry on their reprehensible careers Perhaps in some humble corner of such a Valhalla Sherlock and his Watson may for a time find a place while some more astute sleuth with some even less astute comrade may fill the stage which they have vacated His career has been a long one though it is possible to exaggerate it decrepit gentlemen who approach me and declare that his adventures formed the reading of their boyhood do not meet the response from me which they seem to expect One is not anxious to have one's personal dates handled so unkindly As a matter of cold fact Holmes made his debut in A Study in Scarlet and in The Sign of Four two small booklets which appeared between 1887 and 1889 It was in 1891 that A Scandal in Bohemia the first of the long series of short stories appeared in The Strand Magazine The public seemed appreciative and desirous of more so that from that date thirty nine years ago they have been produced in a broken series which now contains no fewer than fifty six stories republished in The Adventures The Memoirs The Return and His Last Bow and there remain these twelve published during the last few years which are here produced under the title of The Case Book of Sherlock Holmes He began his adventures in the very heart of the later Victorian era carried it through the all too short reign of Edward and has managed to hold his own little niche even in these feverish days Thus it would be true to say that those who first read of him as young men have lived to see their own grown up children following the same adventures in the same magazine It is a striking example of the patience and loyalty of the British public I had fully determined at the conclusion of The Memoirs to bring Holmes to an end as I felt that my literary energies should not be directed too much into one channel That pale clear cut face and loose limbed figure were taking up an undue share of my imagination I did the deed but fortunately no coroner had pronounced upon the remains and so after a long interval it was not difficult for me to respond to the flattering demand and to explain my rash act

away I have never regretted it for I have not in actual practice found that these lighter sketches have prevented me from exploring and finding my limitations in such varied branches of literature as history poetry historical novels psychic research and the drama Had Holmes never existed I could not have done more though he may perhaps have stood a little in the way of the recognition of my more serious literary work The Casebook of Sherlock Holmes Arthur Conan Doyle Arthur Conan Doyle,2016-12-11 The Case Book of Sherlock Holmes is the final set of twelve out of a total of fifty six Sherlock Holmes short stories by Arthur Conan Doyle first published in the Strand Magazine between October 1921 and April 1927 The first British edition and the first American edition of the collection were both published in June 1927 However they had slightly different titles The title of the British collection was The Case Book of Sherlock Holmes hyphenated Case Book whereas title of the American was The Case Book of Sherlock Holmes Case Book as two words Further confusing the issue of the title some later publishers published the collection under the title The Casebook of Sherlock Holmes Casebook as a single word The Casebook of Sherlock Holmes Arthur Conan Doyle,2020-12-15 The Case Book of Sherlock Holmes is the final set of twelve out of a total of fifty six Sherlock Holmes short stories by Arthur Conan Doyle first published in the Strand Magazine between October 1921 and April 1927 **The Casebook of Sherlock Holmes Illustrated** Sir Arthur Conan Doyle,2020-10-24 The Case Book of Sherlock Holmes is the final set of twelve Sherlock Holmes short stories by Arthur Conan Doyle first published in the Strand Magazine between October 1921 and April 1927 **The Case-Book of Sherlock Holmes** Arthur Conan Doyle,2016-08-11 The Case Book of Sherlock Holmes contains Sir Arthur Conan Doyle s final twelve stories about his great fictional detective Featuring crypts at midnight strange bones in a furnace and a blood sucking vampire these tales explore the darker side of human nature and involve betrayal violence and the terrible consequences of infidelity Part of the Macmillan Collector s Library a series of stunning clothbound pocket sized classics with gold foiled edges and ribbon markers These beautiful books make perfect gifts or a treat for any book lover This edition features an afterword by David Stuart Davies a Fellow of the Royal Literary Fund and an authority on Sherlock Holmes *The Casebook of Sherlock Holmes* Conan Doyle,2020-09-25 The Case Book of Sherlock Holmes is the final set of twelve Sherlock Holmes short stories by Arthur Conan Doyle first published in the Strand Magazine between October 1921 and April 1927 *The Casebook of Sherlock Holmes Illustrated* Conan Doyle,2021-01-02 The Case Book of Sherlock Holmes is the final set of twelve Sherlock Holmes short stories by Arthur Conan Doyle first published in the Strand Magazine between October 1921 and April 1927
