The Celibate Succubus:

The Celibate Succubus Barton Paul Levenson, 2013-07 Team Packer is a covert Catholic strike team against supernatural evil with a secret weapon in its arsenal 16 year old Delilah Vincentio the world's only Christian succubus Trained by demons to despise humanity and lead them into sin her unprecedented capacity for mercy caused her to renounce her place in Hell and gain an angelic referral to Team Packer Delilah is assigned to infiltrate the Order of the Lightbringer a Satanic cult that plans to make Pittsburgh a test site for the Apocalypse After Delilah's identity is almost discovered Team Packer sends her to high school to hide out until things cool down But while Delilah may be reformed from her beguiling ways she's still very much a demon and she hasn't learned how to play well with others In fact trying to fit in and keep a low profile at high school may prove to be a tougher battle than bringing down the Order of the Lightbringer *The Seven Succubi* Simon Kewin, 2022-02-25 Of all the denizens of the circles of Hell perhaps none is more feared among those of a high minded sensibility than the succubi The Assizes of Suffolk in the eighteenth century granted the Office of the Witchfinder General the power to employ demonic powers so long as their use is reasonable and made only to defeat some yet greater supernatural threat No attempt was made in the wording of the assizes to measure or grade such threats however making the question of whether it is acceptable to fight fire with fire a troublingly subjective one Now in the twenty first century Danesh Shahzan Acolyte in Her Majesty's Office of the Witchfinder General had been struggling with that very question ever since the events of The Eye Collectors An unexpected evening visit from his boss the Crow was alarming enough but when it turned out to be to discuss his thesis on succubi Danesh was surprised yet intrigued Clearly another investigation beckoned Cover design Alison Buck **Succubus Dreams** Richelle Mead, 2011-10-24 A beleaguered succubus must discover who's disturbing her dreams before it's too late in this urban fantasy from a 1 New York Times bestselling author First Georgina Kincaid a shape shifting succubus who gets her energy from seducing men can't have sex with her gorgeous bestselling author boyfriend Seth Mortensen in case she inadvertently kills him Second Georgina's under demonic orders to mentor the new and surprisingly inept succubus on the block Third someone's manipulating her dreams draining her energy and supplying eerie visions of her future Georgina seeks answers from Dante a dream interpreter with ties to the underworld but his flirtatious charm only leaves her more confused especially as the situation with Seth reaches a crisis point Georgina needs to rein in her out of control love life and go toe to toe with an enemy capable of wreaking serious havoc among mankind Otherwise Georgina and the entire mortal world may never sleep easy again Praise for the work of Richelle Mead This is one of those series I'm going to keep following New York Times bestselling author Jim Butcher on Succubus Blues My kind of book great characters dark worlds and just the right touch of humor A great read New York Times bestselling author Patricia Briggs on Storm Born **Succubus On Top** Richelle Mead, 2011-01-28 A succubus must balance a burgeoning romance as she fights to save a co worker's soul in this urban fantasy from a 1 New York Times bestselling author Love hurts

and no one knows it better than Georgina Kincaid If she so much as kisses Seth Mortensen the shy sexy writer she s been dating she ll drain his life force Admittedly the shapeshifting and immortality perks of a succubus are terrific but it s completely unfair that a she demon whose purpose is seduction can t get down with the one mortal who accepts her for who she is It s not just her personal life that s in chaos Doug Georgina s co worker at a local bookstore has been exhibiting bizarre behavior and Georgina suspects something far more demonic than double espressos She could use an assist from Bastien an irresistibly charming incubus and her best immortal friend but he s giving Georgina some highly distracting come hither vibes Georgina is going to have to work solo on this one and fast because soon Doug s life won t be the only one on the line Praise for Richelle Mead and her Succubus series Richelle Mead delivers sexy action and tongue in cheek hellish humor if damnation is this fun sign me up Lilith Saintcrow author of The Devil s Right Hand This is one of those series I m going to keep following Jim Butcher New York Times bestselling author of the Harry Dresden series The mix of supernatural mystery romance and reluctant succubus is great fun Locus Mead cooks up an appetizing debut that blends romantic suspense with a fresh twist on the paranormal accented with eroticism Booklist

A Demon's Name Upon Your Lips Madeline Konrad,2024-01-06 The Count of Monte Cristo meets her wife Lucia is a succubus a demon with the power to shape the emotions and passions of mortals Summoned often into the world of Melodia she takes pride in upholding her demonic contracts to the best of her abilities She likes to think she does her job well though a string of recent failures say otherwise Talia the recently elevated Duke of Fallmire summons Lucia for a simple reason to pose as her wife and fulfill marital obligations to the satisfaction of Parliament All to say just a few weeks of walking around the estate and playing nice with the neighbors before a conveniently tragic death Quick and easy But immediately Lucia smells blood in the water Behind closed doors the Duke plots vengeance upon those who killed her father and the demon wants in Revenge after all is much more fun and more lucrative to boot But can Lucia predict how hard she d fall for the Duke Not a chance And can the Duke find it in her vengeful heart to love Spice Level lightly described nudity fade to black sex 64 000 words

The Dangerous Sex Hoffman R Hays,2023-07-07 First published in 1966 The Dangerous Sex shows how the irrational concept of the dangerous sex evolved and how it was and is used by man to maintain his dominance He examines sexual practices and beliefs marriage customs and rituals and social behaviour in every society and every age from pre historic times to the present day The result is a revealing picture of the deep seated male hostility that generates the way of the sexes and has fed it throughout human history It is also a blazing indictment of this ingrained psycho social pattern as it unconsciously destroys and disrupts huge areas of human happiness In this enquiry into misogyny H R Hays suggests that men must face their own compulsions before a true and balanced relation between the sexes is achieved This book therefore throws a new light on the problems of feminism the feminine mystique and the whole controversy concerning the place of women in society and will be of interest to students of literature gender studies anthropology and psychology
