

The background of the cover is a photograph of an interior space. It shows a wooden staircase with a dark railing and balusters, leading up from a wooden floor. The scene is viewed through a large, arched opening in a wall. The walls are a light, off-white color. The title 'The Chesapeake House' is overlaid in a large, white, serif font.

The Chesapeake House

*Architectural Investigation by
Colonial Williamsburg*

The Chesapeake House Architectural Investigation By Colonial Williamsburg

Lei Shi

The Chesapeake House Architectural Investigation By Colonial Williamsburg:

The Chesapeake House Cary Carson, Carl R. Lounsbury, 2013-03-25 For more than thirty years the architectural research department at Colonial Williamsburg has engaged in comprehensive study of early buildings landscapes and social history in the Chesapeake region Its painstaking work has transformed our understanding of building practices in the colonial and early national periods and thereby greatly enriched the experience of visiting historic sites In this beautifully illustrated volume a team of historians curators and conservators draw on their far reaching knowledge of historic structures in Virginia and Maryland to illuminate the formation development and spread of one of the hallmark building traditions in American architecture The essays describe how building design hardware wall coverings furniture and even paint colors telegraphed social signals about the status of builders and owners and choreographed social interactions among everyone who lived or worked in gentry houses modest farmsteads and slave quarters The analyses of materials finishes and carpentry work will fascinate old house buffs preservationists and historians alike The lavish color photography is a delight to behold and the detailed catalogues of architectural elements provide a reliable guide to the form style and chronology of the region s distinctive historic architecture

Motives of Honor, Pleasure, and Profit Lorena S. Walsh, 2012-12-01 Lorena Walsh offers an enlightening history of plantation management in the Chesapeake colonies of Virginia and Maryland ranging from the founding of Jamestown to the close of the Seven Years War and the end of the Golden Age of colonial Chesapeake agriculture Walsh focuses on the operation of more than thirty individual plantations and on the decisions that large planters made about how they would run their farms She argues that in the mid seventeenth century Chesapeake planter elites deliberately chose to embrace slavery Prior to 1763 the primary reason for large planters debt was their purchase of capital assets especially slaves early in their careers In the later stages of their careers chronic indebtedness was rare Walsh s narrative incorporates stories about the planters themselves including family dynamics and relationships with enslaved workers Accounts of personal and family fortunes among the privileged minority and the less well documented accounts of the suffering resistance and occasional minor victories of the enslaved workers add a personal dimension to more concrete measures of planter success or failure

The Permanent Resident Philip Levy, 2022-07-27 No figure in American history has generated more public interest or sustained more scholarly research around his various homes and habitations than has George Washington The Permanent Resident is the first book to bring the principal archaeological sites of Washington s life together under one cover revealing what they say individually and collectively about Washington s life and career and how Americans have continued to invest these places with meaning Philip Levy begins with Washington s birthplace in Westmoreland County Virginia then moves to Ferry Farm site of the mythical cherry tree before following Washington to Barbados to examine how his only trip outside the continental United States both shaped him and lingered in local memory The book then profiles the site of Washington s first military engagement and his nation making stay in Philadelphia From

archaeological study of Mount Vernon Levy also derives fascinating insights about how slavery changed and was debated at Washington's famous home Levy considers the fates of Washington statues and commemorations to understand how they have functioned as objects of veneration and sometimes vandalism for more than a century and a half Two hundred years after his death at the sites of his many abodes Washington remains an inescapable presence The Permanent Resident guides us through the places where Washington lived and in which Americans have memorialized him speaking to issues that have defined and challenged America from his time to our own

The Philadelphia Country House Mark E.

Reinberger, Elizabeth McLean, 2015-10-21 A highly readable beautifully illustrated study of the homes built by elite colonial Philadelphians as retreats which balanced English models with developing local taste Colonial Americans if they could afford it liked to emulate the fashions of London and the style and manners of English country society while at the same time thinking of themselves as distinctly American The houses they built reflected this ongoing cultural tension By the mid eighteenth century Americans had developed their own version of the bourgeois English countryseat a class of estate equally distinct in social function and form from townhouses rural plantations and farms The metropolis of Philadelphia was surrounded by a particularly extraordinary collection of country houses and landscapes Taken together these estates make up one of the most significant groups of homes in colonial America In this masterly volume Mark Reinberger a senior architectural historian and Elizabeth McLean an accomplished scholar of landscape history examine the country houses that the urban gentry built on the outskirts of Philadelphia in response to both local and international economic forces social imperatives and fashion What do these structures and their gardens say about the taste of the people who conceived and executed them How did their evolving forms demonstrate the persistence of European templates while embodying the spirit of American adaptation The Philadelphia Country House explores the myriad ways in which these estates which were located in the country but responded to the ideas and manners of the city straddled the cultural divide between urban and rural Moving from general trends and building principles to architectural interiors and landscape design Reinberger and McLean take readers on an intimate tour of the fine fashionable elements found in upstairs parlors and formal gardens They also reveal the intricate working world of servants cellars and kitchen gardens Highlighting an important aspect of American historic architecture this handsome volume is illustrated with nearly 150 photographs more than 60 line drawings and two color galleries

Architecture and Urbanism in the British Empire G. A. Bremner, 2016 A comprehensive overview of the architectural and urban transformations that took place across the British Empire between the seventeenth and mid twentieth centuries exploring the built heritage of Britain's former colonial empire as a fundamental part of how we negotiate our postcolonial identities

Tidewater Spirit: Cultural Landmarks, Monuments & History of Eastern Virginia
Bryan Hatchett, 2021 Open waters busy harbors celebrated buildings Tidewater lies east of the fall line of the Virginia rivers that flow into the Chesapeake a definition that dates back to colonial times Much of what we know of seventeenth and

eighteenth century Tidewater comes from the writing of Captain John Smith William Byrd II and Thomas Jefferson The Virginia of Smith Byrd and Jefferson remains in part our Virginia Geography and place names are largely the same Their accounts of what they saw where they traveled what s in bloom and what s ready for harvest will sound very familiar Read their words paired with photographer and author Bryan Hatchett s stunning photographs of Tidewater landscapes and landmarks and experience the continuity as well as the change that time has brought to this very special place Page 4 of cover

The Hamilton Phenomenon Chloe Northrop, 2022-07-05 The Hamilton Phenomenon brings together a diverse group of scholars including university professors and librarians educators at community colleges Ph D candidates and independent scholars in an exploration of the celebrated Broadway hit When Lin Manuel Miranda s musical sensation erupted onto Broadway in 2015 scholars were underprepared for the impact the theatrical experience would have Miranda s use of rap hip hop jazz and Broadway show tunes provides the basis for this whirlwind showcase of America s past through a reinterpretation of eighteenth century history Bound together by their shared interest in Hamilton an American Musical the authors in this volume diverge from a common touchstone to uncover the unique moment presented by this phenomenon The two parts of this book feature different emerging themes ranging from the meaning of the musical on stage to how the musical is impacting pedagogy and teaching in the 21st century The first part places Hamilton in the history of theatrical performances of the American Revolution compares it with other musicals and fleshes out the significance of postcolonial studies within theatrical performances Esteemed scholars and educators provide the basis for the second part with insights on the efficacy benefits and pitfalls of teaching using Hamilton Although other scholarly works have debated the historical accuracy of Hamilton The Hamilton Phenomenon benefits from more distance from the release of the musical as well as the dissemination of the hit through traveling productions and the summer 2020 release on Disney Through critically engaging with Hamilton these authors unfold new insights on early American history pedagogy costume race in theatrical performances and the role of theatre in crafting interest in history

The Baptismal Font Canopy of St. Peter Mancroft, Norwich, 2023-10-16 The early 16th century baptismal font canopy of the church of St Peter Mancroft Norwich is one of only three such structures to survive anywhere in the British Isles This study inspired by the recent rediscovery of four attributable panels at the Philadelphia Museum of Art offers a trans temporal account of the canopy s initial creation and subsequent use mutilation and modification Written by a team of scholars in art architectural history art conservation heritage documentation literary studies and museum curation it explores the installation s multiple artistic ritual and cultural contexts from late medieval and early modern Europe to modern day North America Contributors are Benjamin Baaske Sarah Blick Kate Duffy Brent R Fortenberry Amy Gillette Jack Hinton Lesley Milner Peggy Olley Ellen K Rentz Behrooz Salimnejad Zachary Stewart Achim Timmermann Charles Tracy Kim Woods and Lucy Wrapson

This Is Our Home Whitney Nell Stewart, 2023-11-06 The cultural memory of plantations in the Old South has long been clouded by myth A recent reckoning

with the centrality of slavery to the US national story however has shifted the meaning of these sites Plantations are no longer simply seen as places of beauty and grandiose hospitality their reality as spaces of enslavement exploitation and violence is increasingly at the forefront of our scholarly and public narratives Yet even this reckoning obscures what these sites meant to so many forced to live and labor on them plantations were Black homes as much as white Insightfully reading the built environment of plantations considering artifact fragments found in excavations of slave dwellings and drawing on legal records and plantation owners papers Whitney Nell Stewart illuminates how enslaved people struggled to make home amid innumerable constraints and obstacles imposed by white southerners By exploring the material remnants of the past Stewart demonstrates how homemaking was a crucial part of the battle over slavery and freedom a fight that continues today in consequential confrontations over who has the right to call this nation home

New Life for Archaeological Collections Rebecca Allen, Ben Ford, 2019-05-01 New Life for Archaeological Collections explores solutions to what archaeologists are calling the curation crisis that is too much stuff with too little research analysis and public interpretation This volume demonstrates how archaeologists are taking both large and small steps toward not only solving the dilemma of storage but recognizing the value of these collections through inventorying and cataloging curation rehousing artifact conservation volunteer and student efforts and public exhibits Essays in this volume highlight new questions and innovative uses for existing archaeological collections Rebecca Allen and Ben Ford advance ways to make the evaluation and documentation of these collections more accessible to those inside and outside of the scholarly discipline of archaeology Contributors to New Life for Archaeological Collections introduce readers to their research while opening new perspectives for scientists and students alike to explore the world of archaeology These essays illuminate new connections between cultural studies and the general availability of archaeological research and information Drawing from the experience of university professors government agency professionals and cultural resource managers this volume represents a unique commentary on education research and the archaeological community
