

A black and white portrait of a young boy with short, light-colored hair, smiling broadly at the camera. He is wearing a light-colored collared shirt. The background is a soft, out-of-focus grey. Overlaid on the image is white text in a monospaced, digital font. At the top, the text reads '>BILL' on one line and 'GATES' on the next. At the bottom, it reads 'SOURCE' on one line, 'CODE / >' on the next, and 'MY BEGINNINGS' on the final line.

>BILL

The Code Book For Young People:

Code Work Héctor Beltrán, 2023-11-14 How Mexican and Latinx hackers apply concepts from coding to their lived experiences In *Code Work* Héctor Beltrán examines Mexican and Latinx coders personal strategies of self making as they navigate a transnational economy of tech work Beltrán shows how these hackers apply concepts from the code worlds to their lived experiences deploying batches loose coupling iterative processing looping hacking prototyping and full stack development in their daily social interactions at home in the workplace on the dating scene and in their understanding of the economy culture and geopolitics Merging ethnographic analysis with systems thinking he draws on his eight years of research in Mexico and the United States during which he participated in and observed hackathons hacker schools and tech entrepreneurship conferences to unpack the conundrums faced by workers in a tech economy that stretches from villages in rural Mexico to Silicon Valley Beltrán chronicles the tension between the transformative promise of hacking the idea that coding will reconfigure the boundaries of race ethnicity class and gender and the reality of a neoliberal capitalist economy divided and structured by the US Mexico border Young hackers many of whom approach coding in a spirit of playfulness and exploration are encouraged to appropriate the discourses of flexibility and self management even as they remain outside formal employment Beltrán explores the ways that innovative culture is seen as central in curing Mexico's social ills showing that when innovation is linked to technological development other kinds of development are neglected Beltrán's highly original wide ranging analysis uniquely connects technology studies the anthropology of capitalism and Latinx and Latin American studies

Children with Mental Disorder and the Law Anthony Harbour, 2008-05-15 This book provides a guide to the law relating to mental health care for children and young people and discusses important issues in clinical and social care practice such as parental responsibility Gillick competency and capacity emergency intervention and detention assessment of mental illness and confidentiality in practice

Micro-Credit in Modern Japan Hikaru Tanaka, 2024-11-05 Japanese society believes they enjoy socio economic equality While industrialization tends to make gap between rich and poor most of Japanese are proud of themselves as being middle class in the first Asian industrialized country In fact post WW2 Japanese economic miracle made Japan rich and equalized High personal saving ratio supported the economic development in those days as if it's a proof of Rostow's take off model Japanese saving rate had jumped high level around the beginning of 20th century which was the time of their industrialization taking place This book shows the savings was not only rich's accumulation of wealth but ordinary citizen's daily spares The spare money helped whole nation's economic development especially supported relatively small farmers and self employed workers The personal small savings became huge funds for the basis of modern Japanese micro credit and emergency bailout loan Postal Savings Bank and nationwide cooperatives played the role in managing This financial network was independent from ordinary financial system composed of private banks and securities market and complement its function The personal small savings funds in Japanese economy

saved its society from various type of calamity and supported economic equalization as alternative financial system which acted as Not for Profit enterprises *Young Disabled People* Sonali Shah,2016-02-11 Recent policies and government initiatives in many Western countries have strengthened the expectation that young disabled people have the right to be involved in decisions affecting their futures Many of the choices that are currently taken out of young disabled people s hands including those relating to education and future employment are now being viewed as an opportunity to encourage participation in the decision making process Sonali Shah uses a comparative study of young disabled students within mainstream and special education to determine the influence these recent policies will have on the realization of their long term goals *Young Disabled People Aspirations Choices and Constraints* will be essential reading for academics in the fields of education disability studies and employment policy It will also be valuable to policy makers and teaching and careers professionals

Incarcerated Young People, Education and Social Justice Kitty te Riele,Tim Corcoran,Fiona MacDonald,Alison Baker,Julie White,2023-03-31 This book foregrounds the provision of education for young people who have been remanded or sentenced into custody Both international conventions and national legislation and guidelines in many countries point to the right of children and young people to access education while they are incarcerated Moreover education is often seen as an important protective and rehabilitative factor However the conditions associated with incarceration generate particular challenges for enabling participation in education Bridging the fields of education and youth justice this book offers a social justice analysis through the lens of participatory parity the book brings together rare interviews with staff and young people in youth justice settings in Australia secondary data from these sites a suite of pertinent and frank reports and international scholarship Drawing on this rich set of material the book demonstrates not only the challenges but also the possibilities for education as a conduit for social justice in custodial youth justice The book will be of immediate relevance to governments and youth justice staff for meaningfully meeting their obligation of enabling children and young people in custody to benefit from education and of interest to scholars and researchers in education youth work and criminology
