The Collected Sermons of William H. Willimon William H. Willimon, 2014-03-03

The Consolations of God Phillips Brooks, 2003 Compelling sermons by one of the nineteenth century s finest preachers Best known today as the author of the Christmas carol O Little Town of Bethlehem Phillips Brooks 1835 1893 has been called the greatest American preacher of the nineteenth century Yet his magnificent sermons which brought standing room only crowds to Trinity Church in Boston have long been out of print and hard to find But thanks to Ellen Wilbur the illuminating messages delivered by Brooks are once again available in this collection of twelve of his best sermons allowing modern readers to be touched by the man whom Wilbur describes as a poet of a speaker Upon first immersing herself in his long lost sermons she felt deeply that his loftiness of mind and heart shone through his words in such a way that made it easy to imagine rooms of hushed uplifted people pinned on him as much astonished by the man as by his teachings The Consolations of God will appeal to a wide range of readers wanting to deepen their spiritual lives

Edwards JR., 2016-04-25 A History of Preaching brings together narrative history and primary sources to provide the most comprehensive guide available to the story of the church s ministry of proclamation Bringing together an impressive array of familiar and lesser known figures Edwards paints a detailed compelling picture of what it has meant to preach the gospel Pastors scholars and students of homiletics will find here many opportunities to enrich their understanding and practice of preaching Volume 1 contains Edwards s magisterial retelling of the story of Christian preaching s development from its Hellenistic and Jewish roots in the New Testament through the late twentieth century s discontent with outdated forms and emphasis on new modes of preaching such as narrative Along the way the author introduces us to the complexities and contributions of preachers both with whom we are already acquainted and to whom we will be introduced here for the first time Origen Chrysostom Augustine Bernard Aquinas Luther Calvin Wesley Edwards Rauschenbusch Barth all of their

distinctive contributions receive careful attention Yet lesser known figures and developments also appear from the ninth century reform of preaching championed by Hrabanus Maurus to the reference books developed in the thirteenth and fourteenth centuries by the mendicant orders to assist their members preaching to Howell Harris and Daniel Rowlands preachers of the eighteenth century Welsh revival to Helen Kenyon speaking as a layperson at the 1950 Yale Beecher lectures about the view of preaching from the pew Volume 2 available separately as 9781501833786 contains primary source material on preaching drawn from the entire scope of the church's twenty centuries The author has written an introduction to each selection placing it in its historical context and pointing to its particular contribution Each chapter in Volume 2 is geared to its companion chapter in Volume 1's narrative history Ecumenical in scope fair minded in presentation appreciative of the contributions that all the branches of the church have made to the story of what it means to develop deliver and listen to a sermon A History of Preaching will be the definitive resource for anyone who wishes to preach or to understand preaching's role in living out the gospel This work is expected to be the standard text on preaching for the next 30 years says Ann K Riggs who staffs the NCC's Faith and Order Commission Author Edwards former professor of preaching at Seabury Western Theological Seminary is co-moderator of the commission which studies church uniting and church dividing issues A History of Preaching is ecumenical in scope and will be relevant in all our churches we all participate in this field says Riggs from EcuLink Number 65 Winter 2004 2005 published by the National Council of Churches

A Peculiar Prophet Michael A. Turner, 2010-09-01 There is no more trusted mentor of preachers in North American Christianity today than William H Willimon The author of over sixty books a frequent preacher and teacher in pastors schools and events Willimon has earned a following as one of the people to whom preachers turn more often than any other Turner and Malambri make Willimon's role as a mentor to preachers more available than ever Both former students of Willimon's they provide detailed and practical tools for learning from this peculiar prophet They offer samples of Willimon's sermons and commentary on them by other leading preachers and homilists such as Tom Long and Peter Gomes The point of this examination of Willimon's work is not simply to praise it but to assess both its strengths and its weaknesses and to help readers learn in the process how Willimon can be a model of what to do and at times what not to do in the pulpit Written with the needs of practicing preachers in mind this book will make a significant contribution not only to understanding a great preacher but also to preaching itself

On Being the Church Brian Haymes, Ruth Gouldbourne, Anthony R. Cross, 2009-04-01 This book re-examines Baptist theology and practice in the light of contemporary biblical theological ecumenical and missiological perspectives It is not a study in denominationalism but rather attempts to revision historical insights from the believers church tradition seeking to re appropriate forgotten emphasis bringing them together in a revised ecclesiology

The Stewardship Companion: Lectionary Resources for Preaching William H. Willimon, David N. Mosser, 2007

Lament-Driven Preaching Eliana Ah-Rum Ku, 2024-03-04 This book challenges Christian communities to engage in lament a mode of

existence characterized by impassioned expression witnessing and personal or social protest in the face of evil and injustice reflecting a profound yearning for God's saving presence Divine lament responds to and expresses solidarity with human suffering unveiling multiple facets of God's image and demonstrating a profound sense of divine compassion Drawing on the Book of Lamentations Korean concepts related to suffering han and hanpuri the Paschal Triduum narratives and recent homiletic discourses on suffering the author investigates how complex issues related to grief and hope can be addressed in preaching without diminishing the harsh reality of affliction Designed to assist preachers this book encourages a more intentional approach to addressing suffering specifically by advocating for lament as a transitional space between affliction and hope Furthermore readers are invited to contemplate the significance of the church which within a world in decline embodies the body of Christ manifesting both the demise and resurrection of God
