The Americano Fighting With Castro For Cubas Freedom:

Americano Aran Shetterly, 2025-05-01 Why do I fight here in this land so foreign to my own Why did I come here far from my home and family Is it because I seek adventure No I am here because I believe that the most important thing for free men to do is to protect the freedom of others William Morgan in a letter to Herbert Matthews at the New York Times When William Morgan was twenty two years old he was working as a high school janitor in Toledo Ohio Seven years later in 1958 he walked into a Rebel camp in the Cuban Jungle to join the revolutionaries in their fight to overthrow the corrupt Cuban president Fulgencio Batista They were wary of the broad shouldered blond haired blue eyed americano but Morgan s dedication and passion his military skill and charisma led him to become a chief comandante in Castro s army he was the only foreigner to hold such a rank with the exception of Che Guevera Vicious battles in the jungles were followed by victorious revelry in the cities Morgan married a Cuban beauty He single handedly thwarted the Dominican Republic s attempt to overthrow Castro And he was chosen to work with Castro and other high ranking Rebels to improve the quality of life for all people This man who had lived under the radar in America was now a Cuban hero on the watch lists of several governments all of whom wondered whose side he was really on It all ended in 1961 when at age thirty two Morgan was executed by firing squad at the hands of Fidel Castro Journalist Aran Shetterly takes us back to an era when democracy could have flourished in Cuba He interviewed Morgan s friends and family and former Cuban Rebels and examined FBI and CIA documents in search of the truth What emerged was the true story of a young man who had never fit in but finally found his place in the world by fighting another country s war

The Yankee Comandante

Michael Sallah, Mitch Weiss, 2015-01-06 William Morgan a tough talking ex paratrooper stunned family and friends when in 1957 he left Ohio to join freedom fighters in the mountains of Cuba He led one band of guerrillas and Che Guevara another and together they swept through the country ultimately forcing corrupt dictator Fulgencio Batista from power In just a year of fighting the American revolutionary had altered the landscape of the Cold War But Morgan believed they were fighting to liberate Cuba Then Fidel Castro canceled elections seized properties and imprisoned Morgan's fellow freedom fighters Even Morgan's own house mysteriously blew up But The Comandante is about more than just the revolution It's the story of two people in love pressured by government agents and mobsters vying to control a nation that soon brought the world to the brink of nuclear destruction In the mountains Morgan met Olga Rodriguez a beautiful fiery nurse whom he soon married Together amid their firestorm romance they decided to take a stand and take back the government from Castro and Guevara The newlyweds began running arms to prepare for a counterrevolution soon caught in a cloak and dagger web among Castro's forces the Mob which controlled Havana and the CIA's preparations for the Bay of Pigs Invasion But one of Morgan's guards betrayed him to Castro who threw the counterrevolutionary in prison placing his wife and their two daughters under house arrest The couple smuggled secret messages to each other until Olga ultimately escaped by drugging her captors Before she could free her husband though a junta tribunal tried and sentenced him to death by firing squad Drawing on declassified FBI CIA and Army intelligence records as well as Olga's diaries Pulitzer Prize winning authors Michael Sallah and Mitch Weiss skillfully reveal the inner workings of the Cuban Revolution while detailing the incredible love story of a rebel nurse and an American street hero who left their mark on history [Our War with Spain for Cuba's Freedom](#) Trumbull White, 2004 **Cuba's Fight for Freedom, and The War with Spain** Henry Houghton Beck, 1898 **Our War With Spain for Cuba's Freedom** Trumbull White, 2016-11-12 Excerpt from Our War With Spain for Cuba's Freedom A Thrilling Account of the Land and Naval Operations of American Soldiers and Sailors in Our War With Spain and the Heroic Struggles of Cuban Patriots Against Spanish Tyranny Information concerning the island of Cuba has been of an exceedingly unsatisfactory character until the search light of American inquiry was thrown upon it from the beginning of the war for Cuban liberty early in 1895 Although our next door neighbor to the south with a perfect winter climate and a host of interesting and picturesque attractions for travelers tourists had been comparatively few measured by the numbers that might have been expected All of the reasons for this were those which naturally followed the characteristic Spanish rule of the island Publicity was not welcomed inquiry was not welcomed travelers were not welcomed The cities and the accommodations they offered were in many ways far behind those of like size in the other countries of the globe Railway construction and the making of highways had lagged disgracefully because the exorbitant taxes collected were looted by the officers of the government as their own spoils No other country so near to the highways of ocean commerce and so accessible from the United States was so little known About the Publisher Forgotten Books publishes hundreds of
