Urban Fantasy Academy 2025 Edition:

Writers' Handbook 2025 J. Paul Dyson, 2024-12-15 The 2025 edition of firstwriter.com's annual directory for writers is the perfect book for anyone searching for literary agents, book publishers or magazines. It contains over 1,500 listings including revised and updated listings from the 2024 edition and over 300 brand new entries. Finding the information you need is now quicker and easier than ever before with multiple tables and a detailed index and unique paragraph numbers to help you get to the listings you're looking for. The variety of tables helps you navigate the listings in different ways and includes a Table of Authors which lists over 6,000 authors and tells you who represents them or who publishes them or both. The number of genres in the index has expanded to over 900. So for example, while there was only one option for Romance in previous editions, you can now narrow this down to Historical Romance, Fantasy Romance, Supernatural Paranormal Romance, Contemporary Romance, Diverse Romance, Erotic Romance, Feminist Romance, Christian Romance or even Amish Romance. The new edition includes Over 650 literary agents and agencies, Over 450 magazines and Over 500 publishers that don't charge fees. International markets become more accessible than ever with listings that cover both the main publishing centres of New York and London as well as markets in other English speaking countries. With more and more agents, publishers and magazines accepting submissions online, this international outlook is now more important than ever. There are no adverts, no advertorials and no obscure listings padding out hundreds of pages. By including only what's important to writers, contact details for literary agents, publishers and magazines, this directory is able to provide more listings than its competitors at a lower price. The book also allows you to create a subscription to the firstwriter.com website for free until 2026. This means you can get free access to the firstwriter.com website where you can find even more listings and also benefit from other features such as advanced searches, daily email updates, feedback from users about the markets featured, saved searches, competitions, listings, searchable personal notes and more. I know firsthand how lonely and dispiriting trying to find an agent and publisher can be. So it's great to find a resource like firstwriter.com that provides contacts, advice and encouragement to aspiring writers. I've been recommending it for years now. Robin Wade, literary agent at the Wade Doherty Literary Agency Ltd and long term firstwriter.com subscriber.

Trujillo's prophetic dreams have never led him wrong. When he envisions a red-haired witch in peril, he knows he has to find her. He doesn't expect that witch to be the stubborn, stunning Bellamy, or that the danger surrounding her would be tied to an ancient magical artifact that's drawn the attention of a mysterious warlock known only as the Collector. As Bellamy and Marc's attraction deepens, so does the mystery. Her wind magic grows stronger with each passing day, and his visions become more urgent. Together, they must uncover the truth about their enhanced powers before the Collector's servants strike. But in a place where the earth's energy amplifies both power and passion, Bellamy and Marc discover that the greatest risk may be losing their hearts.

Blood Falls: An Epic Urban Fantasy Anna McCluskey, 2025-08-19. Enjoy this epic urban fantasy series starter with cryptids and an unusual magic system by fantasy author Anna McCluskey. Between strange cryptids, forgotten artifacts, and dangerous magics, a Warrior Mage Librarian's work is never done. Trevor and Sister Margaret might seem like an odd pairing. He's a mild-mannered historian with a wry sense of humor, and she curses like a sailor and carries an arsenal of weapons everywhere she goes. But they're fast becoming one of the Vatican's best teams of Warrior Mage Librarians: mages who travel between remote secret libraries, defending them from accidentally summoned demons, mages with ill intent, and other threats. Then cryptids suddenly reveal their existence to the human mage world, and everything changes. Sister Margaret and Trevor are sent as emissaries to the annual summit of the Cryptid Collective, where they find that not all cryptids want mages around. And some of them want to wipe humanity from the earth altogether. Will Trevor and Sister Margaret be able to root out the enemies of humanity? Or will the world be plunged into a war like nothing it's ever seen before? Find out in Book 1 of this epic urban fantasy series. **Blood Falls** is the first installment of the epic urban fantasy series **Warrior Mage Librarians**. Great for readers who love fantasy books that get a little dark and have diverse casts, including queer, neurodivergent, and BIPOC characters, plus a good dose of action, humor, and intrigue. If you enjoy books by Jessica Cage, Devin Hanson, Shannon Mayer, Angela Wallace, and Alistair Rennie, you'll love this series.

The Fates (witch urban fantasy) David Neth. Everything happens for a reason. The Fates pay Samantha and Kathy a visit when the sisters' misstep, which left a man the target of a vampire bite, leads to unimaginable consequences in the future. Unconvinced of the effects of one bite, the sisters travel forward to the future, where at first everything seems perfectly normal until nightfall, when the world seems to plunge into dystopia. Soon, the sisters find themselves on the run from a vampiric empire taking over the city and possibly even the country, as they uncover terrible truths about their future. With their efforts to return to their time having failed, the sisters fear that they may be stuck in the horrific future that they've inadvertently created. **The Fates** is the fourteenth and final book in the **Coven** series, which is part of the **Art of Magic** universe, containing the **Lost By Magic** and the **Under the Moon** series.

Theories, Models, and Practices of Literacy Misty Sailors,Idalia Nuñez,Vaughn W. M.

Watson, James V. Hoffman, Donna E. Alvermann, 2025-11-11 This eighth edition of *Theoretical Models and Processes of Literacy* a foundational text in literacy research is updated to represent a new era in contemporary and critical scholarship. With a revised name, the intentional inclusion of diverse perspectives and new organizational structure, *Theories, Models, and Practices of Literacy* thoroughly represents the theories that drive literacy and the scholars who write about and within the field. While still representing the most comprehensive source for connecting theories to literacy research and practice, this eighth edition builds on preceding editions, contextualizing its historical roots, promoting and highlighting contemporary and critical theories, and envisioning future directions in literacy. This volume addresses theories across ten sections, including early youth and community literacies, teaching literacy and literacy teacher education, disabilities and disciplinary literacy, theories of digital and multimodal literacies, and the disruption of colonial boundaries in language and global literacies. The chapters in this volume are curated to inspire the interrogation of literacy theory and foster its evolution. Additional archival essays from previous editions will remain available as Support Material on the book's webpage. New to the eighth edition: 80% new material and significantly revised previous materials to reflect emerging and contemporary theories and scholarship; a more globalized approach to theorizing literacy practices, including those with onto-epistemological perspectives rooted in people's lived experiences; literacies and languages to engage scholars and audiences who may be new users of the text; focus on theories that actively challenge traditional theoretical literacy frames and raise critical consciousness toward communities marginalized by the white gaze historically represented in literacy theory, literacy research, and literacy education; new avenues for readers to explore how theory informs practice, practice informs theory, and how both are taken up in various contexts, e.g., classrooms, schools, communities, and societies.

The Ecological Imaginary in Literature and Other Media Kevan Manwaring, 2025-09-23 From Gilgamesh to Gawain and the Green Knight, the Brothers Grimm to Grimdark, the natural world has provided the backdrop for Fantasy since its earliest iterations. The playgrounds of childhood are often a writer's first Fantasy landscape and can develop into fully fledged storyworlds. Do readers of Fantasy seek out the genre for a taste of this unsullied environment? Is it nostalgia for the lost Edens of childhood, a way to escape, or to find resilience and inspiration? And in a time of Climate Emergency, is the nature of Fantasy changing to reflect the challenges it presents? Can the blue sky thinking of the Fantastic provide us with a useful tool for addressing what the United Nations has called the defining crisis of our time? This is a timely survey of the environmental aspects of Fantasy, with a unique focus on Fantasy sites and the real world impact of Fantasy texts across media.
