The Believers Conditional Security Eternal Security Refuted:

Across the Spectrum Gregory A. Boyd, Paul Rhodes Eddy, 2009-09 This accessible yet comprehensive primer explores the breadth of viewpoints on major issues in evangelical theology by examining positions taken by evangelicals on seventeen seminal issues The second edition retains the helpful features of the first edition and adds an appendix that addresses thirteen peripheral issues in contemporary evangelicalism Praise for the first edition The authors do what no book on the market does In one volume they faithfully present divergent views on the crucial issues that divide evangelicals and they do so in an unbiased succinct and lively manner This book is perfect as a supplemental text in an introductory theology course or as a manual for church study groups It will help everyone arrive at his or her own conclusions within the parameters of the evangelical tradition Dennis Okholm Azusa Pacific University *Across the Spectrum* succeeds with distinction in at least two respects First it represents a very useful tool for those who wish to begin grappling with different approaches to difficult theological problems The book will be most helpful to beginning students in evangelical theology the target audience Second the work presents various perspectives in fair and unbiased tones If used with care it will repeatedly reward the reader with its fair and even treatment of different theological views Nathan D Holsteen Bibliotheca Sacra I've been waiting for this book for some time Due to its brief nontechnical format it can be used in a variety of ways in undergraduate theology courses Although a concise volume it succinctly outlines multiple arguments both pro and con for incredibly over two dozen issues in disputed largely non fundamental areas of doctrine The professor can present positions in favor of particular views or leave the issues open It's settled I'm requiring it Gary R Habermas Liberty University A collective sigh of relief will arise from the evangelical student body when it discovers this book It helpfully and critically surveys the many legitimate evangelical theological options and convincingly demonstrates that there is no single authentically evangelical viewpoint on a wide range of controversial issues It constitutes a small library between two covers Roger E Olson George W Truett Theological Seminary Baylor University

The Gospel of the Christ Thomas Lewis Stegall, 2009-07 The Gospel of the Christ is a clear biblical reply to the question of what a person must believe about Jesus Christ to possess eternal life While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life this raises the vital question what is the necessary content of this faith Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith Thomas Stegall goes well beyond a carefully documented analysis of his own movement The Gospel of the Christ provides a systematic exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the Christ The end result is a comprehensive biblical and theological study of Jesus Christ's person and work in the contents of saving faith

The Westminster Handbook to Evangelical Theology Roger E. Olson, 2004-01-01 The Westminster Handbook to Evangelical Theology is a comprehensive critical survey of the main persons events controversies concepts and institutions of twentieth century evangelical theology It will introduce readers to

and be a reference work for the study of evangelicalism's distinctive theological vision in its unity and diversity Roger Olson explores evangelical theology through five lenses The Story of Evangelical Theology Movements and Organizations Related to Evangelical Theology Key Figures in Evangelical Theology Traditional Doctrines in Evangelical Theology and Issues in Evangelical Theology The Westminster Handbook to Christian Theology series provides a set of resources for the study of historic and contemporary theological movements and Christian theologians These books are intended to help students and scholars find concise and accurate treatments of important theological terms

The SCM Press A-Z of Evangelical Theology Roger E. Olson, 2005 The SCM Press A Z of Evangelical Theology is a comprehensive critical survey of the main persons events controversies concepts and institutions of twentieth century evangelical theology It will introduce readers to and be a reference work for the study of evangelicalism's distinctive theological vision in its unity and diversity Olson explores evangelical theology through five lenses The Story of Evangelical Theology Movements and Organisations Related to Evangelical Theology Key Figures in Evangelical Theology Traditional Doctrines in Evangelical Theology and Issues in Evangelical Theology Here is a unique compact narrative description of the origins rise and significance of evangelical theology today About the Author Roger E Olson is Professor of Theology at George W Truett Theological Seminary Baylor University USA

Mickey Mantle Is Going to Heaven Fritz Peterson, 2009 In his rookie year pitcher Peterson had the opportunity to play with Mickey Mantle and Roger Maris and he made a name for himself both on the field and off Through his very public years as a baseball player and in his later struggle with prostate cancer he continued to seek salvation and ultimately came to understand the truth of God's Grace

Bible Controversies Resolved Roy D Perkins, 2023-05-24 This book consists of sixty two chapters of Bible controversies resolved with total objectivity by the writer Subjective feelings were left out The writer speaks of the most taboo of subjects Pastors and theologians have argued these controversies for centuries In actuality these controversies are not controversies at all people just made arguments out of what they believe are questionable This book explains in plain language these issues that have become so argumentative The writer is on board with almost all of them he disagrees with about 2 percent of these issues but cannot argue with scriptural truths When discerning facts from fiction concerning these issues the writer successfully suppresses his subjective feelings and is willing to admit that his prior thinking might not have been correct he can admit when he is wrong Most people cannot do this because of pride stubbornness tradition the clergy and ignorance In this book the writer attempts to open the eyes ears and minds of the readers Just because churches have done it the same way for centuries it doesn't make the churches right Just because a bunch of PhDs and theological experts have put their stamps of approval on the issues it doesn't make them right PhD stands for piled higher and deeper Someone once said that the definition of an expert is one who learns more and more about less and less pretty soon he knows everything about nothing In the book the writer backs up what he says with scriptural references In the book the reader can explore one revelation after another about supposedly controversial subjects

False Teachings and Divisive Movements Steve Urick, 2013-12-16 Within the realm of professing Christendom many false teachings and divisions exist This is because people often fail to study or properly discern sound Bible doctrine They then follow after charismatic or dogmatic teachers who have misinterpreted or rejected Gods Word False Teachings and Divisive Movements looks at several false teachings and movements some formed recently and some not so recent that exists within many churches today If you ever wonder why there is so much disagreement between professing Christians or question various religious teachings and movements this book will shed light on these matters and help clear up any confusion you might have

Eternal Security Lloyd A. Olson, 2007-11 This book is a must read for three reasons First no other book can compare It is the most comprehensive work affirming Eternal Security in the history of Christendom Second Dr Olson uses his experience gained as a Lutheran pastor and evangelist to compare the arguments for and against eternal security side by side Third critical aspects of theology underlying Eternal Security that are customarily overlooked or avoided are integrated into each passage as a Theological Tidbit

WHAT IS SALVATION?: A Biblical Study of God's Greatest Gift Bill Parker, 2014-02 The idea for What is Salvation came as a result of a real concern over the ignorance of so many people today who claim to be saved but who do not understand the truths and realities of salvation as set forth in the Bible Pastor Parker began this as a series of messages preached at Thirteenth Street Baptist Church where he currently pastors and it developed into a comprehensive study and overview of this great and glorious subject as revealed in God's Holy Word It is written in simple and precise language so that any serious Bible student can glean from its pages without getting bogged down in lofty theological platitudes It will be helpful as a guide for those who desire to go further and deeper in their study of God's Word and also as an aid to ministers students and study groups all who seriously desire to study and find answers from God's Word

Four Views on Eternal Security Zondervan, 2011-10-11 Does the Bible support the concept of once saved always saved or can a person lose his or her salvation Among the most hotly debated topics in the history of Christian theology has been the perseverance of the saints How do the Scriptures portray the complex interplay between grace and free will These and related questions are explored from different angles in this thought provoking Counterpoints volume The contributors each state their case for one of four prominent views on eternal security Classical Calvinist presented by Michael S Horton Moderate Calvinist presented by Norman L Geisler Reformed Arminian presented by Stephen M Ashby Wesleyan Arminian presented by J Steven Harper In keeping with the forum approach of the Counterpoints series each view is first presented by its proponent then critiqued and defended This fair and respectful approach allows you to weigh for yourself the strengths and weaknesses of the different doctrinal stances By furnishing you with scholarly and thoughtful perspectives on the topic of eternal security this book helps you sift through opposing views to arrive at your own informed conclusions
