Framing the Bride Bonnie Adrian, 2003-12-08 With a wedding impending, the Taiwanese bride-to-be turns to bridal photographers, makeup artists, and hair stylists to transform her image beyond recognition. They give her fairer skin, eyes like a Western baby doll, and gowns inspired by sources from Victorian England to MTV. An absorbing consideration of contemporary bridal practices in Taiwan, *Framing the Bride* shows how the lavish photographs represent more than mere conspicuous consumption. They are artifacts infused with cultural meaning and emotional significance, products of the gender and generation based conflicts in Taiwan's hybrid system of modern matrimony. From the bridal photographs, the book opens out into broader issues such as courtship, marriage, kinship, globalization, and the meaning of the West. And Western cultural images of beauty. Bonnie Adrian argues that in compiling enormous bridal albums full of photographs of brides and grooms in varieties of finery posed in different places and exuding romance, Taiwanese brides engage in a new rite of passage, one that challenges the terms of marriage set out in conventional wedding rites. In *Framing the Bride*, we see how this practice is also a creative response to U.S. domination of transnational visual imagery, how bridal photographers and their subjects take the project of globalization into their own hands, defining its terms for their lives, even as they expose the emptiness of its images.

The Morning of Your Wedding Gretchen Maurer, 2008-06-19. Why an entire book dedicated to the morning of the wedding? Because every bride has one and no one has written about it. Why? Because no other vendor is present that early in the morning to tell you. This is not a hair and make up book; it is about what I, as the hair and make up artist, have witnessed at hundreds of wedding mornings at various locations over 25 years. Wedding mornings are as varied as the bride. Some brides are getting married at home, some wedding mornings occur at a hotel, resorts, or quaint inns. But keep this in mind: each location and every wedding morning has its own set of challenges. Sure, I could control hair and make up services, but many other situations were simply out of my control in creating a great morning of experience. Time management, food issues, guest mishaps, bridesmaid meltdowns, dressing dilemmas, pet interruptions, relational dismay fostered this very needed and exclusive book. The Morning of Your Wedding. I thought, why are so many mornings so chaotic? As I researched to see what has been written about the morning of most books, only dedicated a small insignificant paragraph if they mentioned that time period at all. Depending on the time the wedding begins and how many are involved, that morning of is anywhere from two to seven hours long. Allow me to share. Allow me to educate so you can make some important decisions for your wedding morning. Have a beautiful and joyful wedding day. Wedding Chic Nina Willdorf, 2005-01-04.
