Soul Picnic The Music And Passion Of Laura Nyro:

Soul Picnic Michele Kort,2016-05-10 Laura Nyro was a beloved and pioneering singer songwriter of the 1960s and 1970s whose songs were covered with great success by the Fifth Dimension Blood Sweat & Tears Three Dog Night and Barbra Streisand This first biography from Michele Kort *Soul Picnic* uncovers previously never revealed details including a love affair with Jackson Browne and her relationship with painter Maria Desiderio Unappreciated in her time Nyro's legacy is currently experiencing a revival With her groundbreakingly honest and passionate lyrics her unusual and innovative rhythms and melody Nyro's influence is still felt by singers and songwriters today [Laura Nyro](#) Philip Ward,2025-09-01 Laura Nyro 1947-1997 was one of the most significant figures to emerge from the singer songwriter boom of the 1960s She first came to attention when her songs were hits for Barbra Streisand The Fifth Dimension Peter Paul and Mary and others But it was on her own recordings that she imprinted her vibrant personality With albums like *Eli and the Thirteenth Confession* and *New York Tendrils* she mixed the sounds of soul pop jazz and Broadway to fashion autobiographical songs that earned her a fanatical following and influenced a generation of music makers In later life her preoccupations shifted from the self to embrace public causes such as feminism animal rights and ecology the music grew mellower but her genius was undimmed This book examines her entire studio career from 1967's *More than a New Discovery* to the posthumous *Angel in the Dark* release of 2001 Also surveyed are the many live albums that preserve her charismatic stage presence With analysis of her teasing poetic lyrics and unique vocal and harmonic style this is the first ever study to concentrate on Laura Nyro's music and how she created it Elton John idolised her Joni Mitchell declared her a complete original Here's why Philip Ward is a writer translator and former parliamentary researcher Now freelance he has published widely on literature and music both popular and classical and is a regular contributor to *RnR* magazine where he recalls his proudest moment was interviewing Marianne Faithfull His previous books include *Sandy Denny Reflections on Her Music* 2011 *Becoming Helen Mirren* 2019 and a translation of Frank Wedekind's novella *Mine Haha* 2010 When not dabbling in musical composition he is currently at work on a biography of the novelist Michael Arlen Home is Cambridge England where he is a Senior Member of Wolfson College [The Advocate](#) ,2002-04-30 *The Advocate* is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States [The Advocate](#) ,2003-02-04 *The Advocate* is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States *Songs in the Key of Black Life* Mark Anthony Neal,2014-02-04 In *Songs in the Key of Black Life* acclaimed cultural critic Mark Anthony Neal turns his attention to Rhythm and Blues He argues that R & B often dismissed as just a bunch of love songs yet the second most popular genre in terms of sales can tell us much about the dynamic joys apprehensions tensions and contradictions of contemporary black life if we listen closely With a voice as heartfelt and compelling as the best music Neal guides us through the work of classic and contemporary artists ranging from

Marvin Gaye to Macy Gray In the first section of the book *Rhythm* he uses the music of Meshell N degeocello Patti Labelle Jill Scott Alicia Keys and others as guideposts to the major concerns of contemporary black life issues such as gender feminist politics political activism black masculinity celebrity and the fluidity of racial and sexual identity The second part of the book *Blues* uses the improvisational rhythms of black music as a metaphor to examine currents in black life including the public dispute between Cornel West and Harvard President Lawrence Summers and the firing of BET's talk show host Tavis Smiley *Songs in the Key of Black Life* is a remarkable contribution to the study of black popular music and valuable reading for anyone interested in how race is lived in America

TeenSet, Teen Fan Magazines, and Rock Journalism Allison Bumsted, 2024-10-15 Since the magazine's first issue in 1964 TeenSet's role in popular music journalism has been overlooked and underappreciated Teen fan magazines often written by women and assumed to be read only by young girls have been misconstrued by scholars and journalists to lack seriousness in their coverage of popular music *TeenSet Teen Fan Magazines and Rock Journalism* Don't Let the Name Fool You disputes the prevailing conception that teen fan magazines are insignificant and elevates the publications to their proper place in popular music history Analyzing TeenSet across its five year publication span Allison Bumsted shows that the magazine is an important artifact of 1960s American popular culture Through its critical commentary and iconic rock photography TeenSet engaged not only with musical genres and scenes but also broader social issues such as politics race and gender These countercultural discourses have been widely overlooked due to a generalization of teen fan magazines which have wrongly presumed the magazine to be antithetical to rock music and as unimportant to broader American culture at the time Bumsted also examines the leadership of editor Judith Sims and female TeenSet staff writers such as Carol Gold By offering a counternarrative to leading male oriented narratives in music journalism she challenges current discourses that have marginalized women in popular music history Ultimately the book illustrates that TeenSet and teen fan magazines were meaningful not only to readers but also to the broader development of the popular music press and 1960s cultural commentary
