book or maybe it's a refresher as to what happened at the end of the first book I think I really like Gwendoline Geo and Luthias grandmother a lot She's a card When an old woman tells you that you do not have to pick between two men that's just funny Very progressive for an old woman I am already hoping there is a third book to this series and I will say no more You must read the first book then this one for it all to make sense Pretty much picking up where Vampire Witch left off this wonderful continuation draws you right in If you loved the first book in the series be prepared for another amazing read I actually enjoyed this book more than the first This book is amazing Once you start reading you won't be able to put it down and you won't want to put it down There are so many twists and turns when you think you have things figured out everything changes Luthias is more prominent in this book and it was great getting to know know him better There were times I wanted to slap Casey and just ask her why Lol Vampire Land is the main focal point and there are a few new characters there that are great and well developed All the characters matured so much throughout the book and it was definitely an emotional roller coaster the entire story whether it was because of Casey Geo and Luthias or her just trying to figure out how to become a vampire queen Casey really goes through some major struggles this story and I really liked how she grew as a person the entire story
