The Redeemer's Return Arthur W. Pink, *The Redeemers Return* A.W Pink,2017-10-14 This book is designed mainly for those who are beginners in the study of prophetic and dispensational truth though should it fall into the hands of those who are looking for that blessed hope and the glorious appearing of our great God and Saviour Jesus Christ and who have perhaps for years been giving earnest heed to the more sure Word of prophecy we trust that it will afford meat in due season and stimulate praise to God for the marvelous and blessed prospect which His Word sets before us Many books have already appeared before the public presenting in clear and Scriptural language the various aspects of the subject of our Lord s Return and we hesitated long before we decided to add one more to the number The different chapters in this volume have been given by the writer in sermon and lecture form to numerous audiences both in this country and in England and it is only the repeated requests of many of those who have heard these addresses which has caused us to now set them down in writing **The Redeemer's Return** Arthur Walkington Pink,1918 *The Redeemer's Return* A. the master of clear and thorough theology brings us the complete scriptural analysis of what to expect from the second coming of Christ **The Redeemer's Return** Arthur Pink,2014-04-03 Arthur Walkington Pink was an English Christian evangelist and biblical scholar who was known for his staunchly Calvinist and Puritan like teachings in an era dominated by opposing theological traditions Pink was one of the most influential evangelical authors in the second half of the twentieth century Pink s beliefs and teachings were largely Calvinist and Puritan based Pink clearly brings us a scriptural analysis of what to expect from the second coming of Christ in a truly thought provoking book *The Redeemer s Return* Here is a theme which in this day is regarded by many well meaning people as an ideal of visionaries or as the pet hobby of certain cranks Sogrievously has the study of Prophecy been ignored so little place is given in the modern pulpit to the exposition of eschatology and so generally is the daily reading of the Bible neglected by those in the pew that it is an easy matter to persuade the average churchgoer that the subject of the Second Coming of Christ is impractical and one that had better be left alone Introduction to book **The Redeemer's Return - Primary Source Edition** Arthur Walkington Pink,2014-01-05
