**The Rejected Stone** Al Sharpton, 2014-08-05 In this his first book in over a decade Reverend Al will take you behind the scenes of some unexpected places from officiating Michael Jackson's funeral hanging out with Jay Z and President Barack Obama at the White House to taking charge of the Trayvon Martin case And he will discuss how he came to his unexpected conclusions in such areas as immigration gay rights religion and the family Dust jacket flap *Al Sharpton* Carl F. Horowitz, 2025-02-07 In August 2014 a white police officer acting in self defense shot to death an attacker Michael Brown a black youth in Ferguson Missouri Al Sharpton's rhetoric had much to do with the subsequent local rioting This was nothing new He had been applying his patented demagoguery to incidents with racial implications for decades in his native New York City and elsewhere under the guise of justice and civil rights His many prominent supporters have catapulted him to the apex of American life President Obama and President Biden regularly solicited his advice Major corporations continue to donate money to his nonprofit National Action Network Public sector employee unions fete him Reverend Al is more subdued and dapper than in his earlier manic days But that should not be cause for complacency His proximity to power and regular news media presence make him ever more dangerous in these increasingly radicalized times *A Darkly Radiant Vision* Gary Dorrien, 2023-07-25 The third and final volume in the first comprehensive history of Black social Christianity by the greatest theological ethicist of the twenty first century Michael Eric Dyson The Black social gospel is a tradition of unsurpassed and ongoing importance in American life argues Gary Dorrien in his groundbreaking trilogy on the history of Black social Christianity This concluding volume an interpretation of the tradition since the early 1970s follows Dorrien's award winning *The New Abolition* W E B Du Bois and the Black Social Gospel and *Breaking White Supremacy* Martin Luther King Jr and the Black Social Gospel Beginning in the shadow of Martin Luther King Jr Dorrien examines the past fifty years of this intellectual and activist tradition interpreting its politics theology ethics social criticism and social justice organizing He argues that Black social Christianity is today an intersectional tradition of discourse and activist religion that interrelates liberation theology womanist theology antiracist politics LGBTQ theory cultural criticism progressive religion broad based interfaith organizing and global solidarity politics *A Darkly Radiant Vision* features in depth discussions of Andrew Young Jesse Jackson Samuel DeWitt Proctor Gayraud Wilmore James Cone Cornel West Katie Geneva Cannon Stacey Floyd Thomas Traci Blackmon William J Barber II Raphael G Warnock and many others **Church Planters** Richard N. Pitt, 2021-10-05 Millions are leaving churches half of all churches do not add any new members and thousands of churches shutter their doors each year These numbers suggest that American religion is not a growth industry Yet more than 1000 new churches are started in any given year In *Church Planters* sociologist Richard Pitt uses a series of in depth interviews with church planters to understand what moves people who might otherwise be satisfied working for churches to the riskier role of starting one *The Black President* Claude Andrew Clegg, 2021-10-12 With lively prose and sensitivity to context this book

offers a sweeping authoritative history of the Obama presidency focusing particularly on its impact and meaning vis vis African Americans This interpretative account captures the America that made Obama s White House years possible while at the same time rendering the America that resolutely resisted the idea of a Black chief executive thus making conceivable the ascent of his most unlikely of successors *The Good Book* Andrew Blauner,2017-03-28 A collection of previously unpublished pieces by 32 of today s most prominent writers shares their thoughts about biblical passages they find personally meaningful in a volume that includes contributions by such figures as Edwidge Danticat Tobias Wolff and Ian Frazier NoveList **The Destruction and Creation of Michael Jackson** Ellis Cashmore,2022-05-19 Michael Jackson died in 2009 but he has never really left us and there are no signs he ever will A globally acclaimed child star in the 1970s the world s premier entertainer in the final decades of the 20th century a perplexingly odd character in the 21st century Jackson defied every known category and became borderline incomprehensible To remedy this in *The Destruction and Creation of Michael Jackson* Ellis Cashmore reflects the restless unorthodox and mysterious life Jackson led in order to understand more about him as well as his cultural impact Exploring how Jackson emerged from the post civil rights era when America was searching for someone who symbolized a new age as it struggled to unburden itself of racial inequality Cashmore s book is the first to examine Jackson s career through the prisms of American racial politics and celebrity culture Uniquely structured beginning in the present and journeying back to Jackson s birth *The Destruction and Creation of Michael Jackson* will excite and enliven debates on this controversial figure one that very much continues to remain embedded within our culture

**Justice While Black** Robbin Shipp,Nick Chiles,2014-10-01 An essential guide for Black Americans to understanding the criminal justice system and why it continues to see Black men as targets and as dollar signs *Justice While Black* is a must read for every young Black male in America and for everyone else who cares about their survival and well being The book provides practical straightforward advice on how to deal with specific legal situations the threat of arrest being arrested being in custody preparing for and undergoing a trial and navigating the appeals and parole process The primary goal of this book is to become a primer for African Americans on how to avoid becoming ensnared in the criminal justice system While the precarious safety of Black males has received renewed interest in the past year because of the deaths of young men like Daunte Wright and Ryan LeRoux the fact is that this group has always been under threat from the armed guardians of the White social order The tactics have been modernized but the impact is still devastating we are witnessing an epic criminalization of the African American community at levels never before seen since the end of slavery Boomers Helen Andrews,2021-01-12 Baby Boomers and I confess I am one prepare to squirm and shake your increasingly arthritic little fists For here comes essayist Helen Andrews Terry Castle With two recessions and a botched pandemic under their belt the Boomers are their children s favorite punching bag But is the hatred justified Is the destruction left in their wake their fault or simply the luck of the generational draw In *Boomers* essayist Helen Andrews addresses the Boomer legacy with

scrupulous fairness and biting wit Following the model of Lytton Strachey's Eminent Victorians she profiles six of the Boomers brightest and best She shows how Steve Jobs tried to liberate everyone's inner rebel but unleashed our stultifying digital world of social media and the gig economy How Aaron Sorkin played pied piper to a generation of idealistic wonks How Camille Paglia corrupted academia while trying to save it How Jeffrey Sachs Al Sharpton and Sonya Sotomayor wanted to empower the oppressed but ended up empowering new oppressors Ranging far beyond the usual Beatles and Bill Clinton clichés Andrews shows how these six Boomers effect on the world has been tragically and often ironically contrary to their intentions She reveals the essence of Boomerness they tried to liberate us and instead of freedom they left behind chaos
