The Replacement Bride:

The Replacement Bride Cynthia Woolf, 2014-11-27 Jesse Donovan spent the last four years chasing gold hoping to convince his New York fiancée to join him. He's now rich, successful, and eager for his wife to be to make the trip out west. But now that it's time to travel to Hope's Crossing and marry Jesse, the New York socialite sends him a letter informing him of her intention to marry another. Heartbroken and lonely, Jesse contacts Matchmaker Co. for a mail order bride. Clarissa Clare Griggs is the eldest daughter of a poor farmer who is barely surviving off the land. At twenty-three, she is an old maid and a burden on her family. Clare knows what love looks like and she wants a family of her own. Volunteering as a mail order bride seems to be the perfect answer to her dilemma. Her family will be better off, and she can find her own love story, happiness, and finally become a mother. But Hope's Crossing isn't the ideal location that Jesse or Clare dreamed. A bitter rival is trying to kill Jesse and take his mine. Jesse's broken heart won't allow him to love Clare the way she needs, and Clare refuses to live with a man who doesn't love her. When the enemy threatens Clare's life, Jesse realizes Clare has become a part of him, a vital piece of his heart and soul, but is he too late.

Hannah Cynthia Woolf, 2019-01-23 Desperate times call for desperate measures, so when Hannah Granger's little sister takes off for Oregon with a group of mail order brides to meet her new husband, Hannah has no choice but to follow. She expects her sister to find trouble, and she does. But what Hannah doesn't expect is to fall for the hired gun traveling with the wagon train as they make their way along the treacherous Oregon Trail. The bounty hunter is tall, dark, and dangerous, everything she's avoided her entire life. But when she begins to suspect criminals are riding just four wagons back, she'll do just about anything to convince him to listen and to protect her fragile younger sister from the truth about what this trip is costing them both. The only thing bounty hunter Joe Stanton wants is to avoid trouble. He's tagging along on this trip to the Oregon Territory to put a little extra cash in his pocket and take a break from the hunt. The only woman he ever loved broke his heart, and his last bounty cost an innocent man his life. Joe's had enough blood, death, and betrayal to last a lifetime. So why then does he make Hannah's secrets his own? Why does he lie to protect her? And why does the stubborn woman's dogged attempts to help him track down criminals drive him insane with worry? Maybe because he's falling for the red-headed beauty. Maybe because if he doesn't keep her close, they'll both end up dead.

Lydia Cynthia Woolf, 2025-10-13 Lydia Granger thought she left a life of struggle and poverty behind. As a mail order bride on her way to Oregon City, a secure future is assured. But when the wagon train arrives in Oregon City, she discovers her fiancé is dead, and her dream of a safe future is shattered. Moments after her dream is stolen from her, a gift arrives. Her wealthy fiancé left her everything he had. Life for Lydia should be easy, but the truth is much darker and more terrifying than she could imagine. For her fiancé's death was no accident, and the man who took his life wants everything—all the dead man's riches. Detective Max Caldwell lost his wife to a brutal killer, a man who will stop at nothing to take what he wants from the world. He killed in Chicago. He killed in Oregon. It's only a matter of time before he strikes again. Max seeks not only

justice but vengeance for his wife's death and has no qualms about asking the innocent Lydia to help him hunt for her fiancé's murderer. Because Lydia and her inheritance are the bait Max will use to lure evil into the light. Too late he realizes Lydia with her soft heart, beautiful smile, and collection of rescued animals is not only powerful enough to take down a killer but she just might melt the ice around his heart. *Emma Rose* Cynthia Woolf, 2021-01-08

When her mother is killed by the crossfire in a gun battle in the city, Emma Rose Murphy has no choice but to accompany her aunt and uncle on their journey to Oregon. The trail is hard and full of hard people, but Emma Rose knows two things for sure: One, she's never going to fall in love, and two, she will never be able to trust a man who carries a gun. When the handsome Noah Parker saves her from an unknown attacker in the dead of night, Emma Rose doesn't know whether to kiss him or run for her life. Former Marshal Noah Parker knows all about evil. First a Pinkerton agent, then a deputy marshal, he is on his way to Oregon to start over, to forget the mistakes of his past. When the innocent Emma Rose needs help, he steps in. But his interest leads to scandal, and he does what any honorable man would do: he marries her, hoping her acceptance will mend his shattered soul. With a serial killer fixated on Noah's new bride, will the gun-toting former deputy marshal be able to convince Emma Rose to trust him before it's too late? And even if he earns her trust, will her love be strong enough to heal the wounds he carries on his battered heart. *Bella* Cynthia Woolf, 2019-06-04

Bella Devereaux dreamed of being a restaurateur, not a thief. But life had other plans. Forced to compromise her principles to survive, Bella always gives half of her ill-gotten gains to the French migrants in New Orleans and saves the other half to fulfill her lifelong goal of opening her own French café. A priceless cache of jewels was supposed to be her last job, but the police are on to her, and so is another criminal, Jack Pasquin. He's more than a thief; he's a murderer, and he's willing to do whatever it takes to force Bella's hand, including kill her. Taking the jewels and fleeing to Oregon City as a mail order bride seems to be her only hope. Marshal Robert McCauley never forgave himself for being on the job when his first wife passed away. Guilt has kept him from falling in love again, but a mail order bride seems to be the perfect answer. When Bella arrives, not only is she beautiful and intelligent, but her mysterious ways intrigue him more than he cares to admit. Neither of them wants to admit they have fallen in love, but when Bella's past catches up to them, Robert will have to choose once more between the woman he loves and the duty he serves. Can Bella save the husband she'd fallen in love with? Or will she become a widow before she becomes a real wife. *The Replacement Bride* R. R. Nigh, 2025-11

Nicoletta Di Rienzo never imagined returning to New York like this, standing in for her missing sister on the day of her wedding to Gianfrancesco. Frankie Calzavarra, the merciless heir to the Dalla Porta crime family, with her mother's life at stake, Nico has no choice but to take her sister's vows and enter a marriage built on deception. But Frankie isn't fooled. Not for a moment. Instead of exposing her, he claims her, determined to punish, possess, and bend her to his will. To the world, they are husband and wife. Behind closed doors, every kiss is a threat, every touch a test, every moment a dangerous temptation that pushes Nico closer to surrender. As she hunts for the truth behind
