

Religion / Buddhism / Asian Literature

"I have used *The Roaring Stream* for a year now as a daily missal. I can think of no more seminal Zen book published in our time."

—Jim Harrison

"Because of its scope and beauty, this collection should become the standard against which all other collections of Zen Buddhist writings are measured."

—*Publishers Weekly* (starred review; "Best Books of the Year")

"This finely drawn collection of lively basic texts is marvelously enhanced by an introduction and commentaries that help humanize and ground the Zen tradition. Women teachers, lay teachers, and great poet adepts are given place. Shouts and whacks are fun, but Zen comes through here as warm and subtle, too."

—Gary Snyder

The Roaring Stream: A New Zen Reader is a groundbreaking, immensely readable anthology drawn from the vast corpus of Ch'an and Zen Buddhist literature. It offers readers a tour through more than a millennium of writing, presenting one masterpiece after another in chronological progression. "You can dip into the waters of this stream, again and again, at any point finding refreshment and perspective," notes Robert Aitken in his introduction. "A year from now you can dip in again and find treasures that were not at all evident the first time." From lectures to letters, brief poems to extended disquisitions, this collection is an ideal point of entry for newcomers to the Zen tradition, and an essential sourcebook for those who are already "on the way."

"Now the masterpieces of Zen Buddhist writing are available in a single volume," applauds *Library Journal*. "[This] will be the standard introduction to Zen Buddhism for years to come."
