Hunter, 1993 *The Modern Law of Contracts* Bruce W. Frier, James J. White, 2012-01-01 This contracts casebook includes introductions that quickly orient students within unfamiliar territories Cases present both the doctrine applied and in some instances the shortcomings of that doctrine The authors express their disagreement about basic issues so that students can experience the range of possible in modern contract law To save time the authors avoid extensive citation of academic scholarship except as it pertains to the cases being studied Certain traditional subjects such as offer and acceptance and consideration are reduced to a minimum while more contemporary subjects such as form contracts and the modern concept of unconscionability are considered at length as is arbitration and the Supreme Court's historic decision in *AT T Mobility v Concepcion* **The Law of Contract** Hugh Collins, 2003-07 This volume provides an advanced analysis of the law of contract for undergraduate courses covering the law of contract and the law of obligations **The Modern Law of Contract** Charles Fisk Beach (Jr.), 1897 **Conceptual and Contextual Perspectives on the Modern Law of Treaties** Michael J. Bowman, Dino Kritsiotis, 2018-10-25 In recent years there has been a flourishing body of work on the Law of Treaties crucial for all fields within international law However scholarship on modern treaty law falls into two distinct strands which have not previously been effectively synthesized One concerns the investigation of concepts which are fundamental to or inherent in the law of treaties generally such as consent object and purpose breach of obligation and provisional application while the other focuses upon the application of treaties and of treaty law in particular substantive e g

human rights international humanitarian law investment protection environmental regulation or institutional contexts including the Security Council the World Health Organization the International Labour Organization and the World Trade Organization This volume represents the culmination of a series of collaborative explorations by leading experts into the operation development and effectiveness of the modern law of treaties as viewed through these contrasting perspectives

The Law of Obligations Reinhard Zimmermann,1996 This book is widely regarded as one of the most remarkable achievements in Roman Law and Comparative Law scholarship this century a fact attested to by the universal acclaim with which it has been received throughout Europe America and beyond As a work of Roman Law scholarship it fuses the vast volume of 20th century scholarship on the Roman law of obligations into a clear and very readable and in many ways original account of the law As a work of comparative law it traces the transformation of the Roman law of obligations over the centuries into what is now modern German English and South African law presenting the reader with a contrast between these legal systems which is unique both in its scope and its depth As a whole the book is written with a deep understanding of human nature and of many social economic and other forces that determine the face of the law A Treatise on the Modern Law of Contracts Charles Fisk Beach,2013 *A Treatise on the Modern Law of Contracts* Charles Fisk Beach (Jr.),1896 A Treatise on the Modern Law of Contracts Charles Fisk Beach (Jr.),1896 modern law books Stevens and sons,1871 *The Mason Papers* Sir Anthony Mason,Geoffrey Lindell,2007 There have been times when Australian court judgments have held enormous weight in courts throughout the world certainly throughout the Commonwealth Owen Dixon s High Court in the 1950s and Anthony Mason s High Court in the 1980s are examples If there were an Olympic record for teams of judges and why not since they have Olympic medals for tae kwon do and beach volleyball the Mason court would have won gold year after year The quality of its jurisprudence was the best in the world Geoffrey Robertson QC Sydney Morning Herald 30th August 2007 This book comprises a selection of articles and speeches by Sir Anthony Mason written and delivered when he was a Justice and later Chief Justice of the High Court of Australia and after his retirement from that Court in 1995 It demonstrates his long standing interest in the judicial process and his desire to communicate to the legal world and the public a more enlightened understanding of the proper scope of judicial law making and the responsibility of judges for adapting the law to the changing conditions in society It also displays his acknowledged mastery of public and private law and his belief in the growing significance of international and comparative law in the development of Australian law The book contains some important speeches and articles on constitutional and administrative law international law human rights equity and contract the High Court judicial administration advocacy a significant media interview a State of the Judicature report delivered as the Chief Justice of Australia and his swearing in speeches when appointed as a Justice and later Chief Justice of the High Court Some of the selected speeches display Sir Anthony s characteristic wit The book deals with highly topical subjects such as whether Australia should adopt a bill of rights the health of Australia s democratic

institutions the establishment of an Australian republic globalization and the decline of parliamentary and national sovereignty The articles and speeches were chosen and edited by Professor Geoffrey Lindell in consultation with Sir Anthony
