The Beatles The Beatles,2021-10-14 **The Beatles Diary Volume 2: After The Break-Up 1970-2001** Keith Badman,2009-10-28 From 1970 onwards the disbanded Beatles were at last free to follow their individual interests From that point on there were four separate stories but they were stories that would form a complex overlapping history of quarrels and reconciliations personal projects and sporadic collaborations For the first time ever a noted Beatles expert has meticulously documented the entire period of The Beatles after the break up **The Beatles Experience : Graphic Novel**

, **The Beatles: Off The Record 2 - The Dream is Over** Keith Badman,2009-12-15 This book compiles more outrageous opinions and unrehearsed interviews from the former Beatles and the people who surrounded them Keith Badman unearths a treasury of Beatles sound bites and points of view taken from the post break up years Includes insights from Yoko Ono Linda McCartney Barbara Bach and many more **Foreverism** Grafton Tanner,2023-10-30 What do cinematic universes cloud archiving and voice cloning have in common They re in the business of foreverizing the process of revitalizing things that have degraded failed or disappeared so that they can remain active in the present To foreverize something is to reanimate it to enclose and protect it from time and the elements and to eradicate the feeling of nostalgia that accompanies loss Foreverizing is a bulwark against instability but it isn t an infallible enterprise That which is promised to last forever often does not and that which is disposed of can sometimes last disturbingly forever In this groundbreaking book American philosopher Grafton Tanner develops his theory of foreverism an anti nostalgic discourse that promises growth without change and life without loss Engaging with pressing issues from the ecological impact of data storage to the rise of reboot culture Tanner tracks the implications of a society averse to nostalgia and reveals the new weapons we have for eliminating it
