The Beaches Rebecca Foster,2011-05-05 The only reason you may not achieve something in life is because you chose not to achieve it Quote from the book Rebecca has spent her life reaching upward and away from the darkness that so easily consumes us in this world today She offers simple yet deep answers to make it through even the roughest of times You visualize what can be what has passed and get a simple reason why **JOURNEY FOR AN ANSWER** Jerome

Bruce,2023-03-01 This book is dedicated to the people who believe in the journey that is called life no matter how it begins or where it ends The journey of a thousand miles begins with the first step When I was growing up in Brooklyn there were some people not many who feared the journey They believed that home was their castle They built moats around their castle that had to be maintained The moat might have been the staircase They would sweep the stoop and the grounds that circled the castle and wash the stoop which may have been their drawbridge The most important thing was staying close to their castle They did not go too far from home I on the other hand believe that staying close to home would stunt a person s growth I believe that in order to grow as a person you have to go farther than the front door The kings as I imagine would send their general and officers to survey vast different lands to enhance their knowledge and awareness as their people consciously experienced processes that allowed those folks to live vicariously through the path that someone else walked and in their mind s eye it became their reality Complete First for Schools Student's Book with Answers with CD-ROM Guy

Buchanan,2022-08-01 For thirty four years I lived my life placing God in the category as the tooth fairy Santa Claus and the Easter bunny I attended a church for weddings and funerals I hated both Something about the chapels always made me anxious and nervous Maybe it was because of the way I felt about a God I didn t believe in At thirty four years old I was set in

my ways when it came to any type of religion I was happy with my life I had a wonderful husband a company that was thriving a home I loved a nice car and we took vacations often I didn't want for anything I also worked for everything It was not handed to me on a silver platter I grew up in poverty a broken home along with bouncing from one place to another through my teens I was determined to be successful and by my standards I had made it The only thing that I failed at was the religion topic My husband would always try to get me to go to church or change my view For almost a decade he tried but it fell on deaf ears We would disagree about it and I refused to participate in anything religious I thought I was doing a great job and had my life together That could be far from the truth I couldn't see it It was not until God himself visited me in my living room He knew he would not find me sitting in a church pew or even near one That's the day I found out I had it all wrong also the day that my husband's prayers were answered However he never expected my reaction or how it would ultimately affect him as well and change his life God wanted me to give up everything I worked so hard for However my husband didn't sign up for that So he too was faced with very hard decisions Are you wondering what God told me Well he told me to find a lady named Hellen in another country Nicaragua to be exact Let's just say my life changed that instant First of all I had to tell my husband I am changing the way I live and placed my most prized assets on the back burner my marriage my career everything I struggled and worked so hard for All my time energy resources are now going to be devoted to God You know the one I knew nothing about
