The Authorized Left Behind Handbook:

Writing the Rapture Crawford Gribben, 2009-02-02 For the past twenty years evangelical prophecy novels have been a powerful presence on American bestseller lists Emerging from a growing conservative culture industry the genre dramatizes events that many believers expect to occur at the end of the age the rapture of the saved the rise of the Antichrist and the fearful tribulation faced by those who are left behind Seeking the forces that drove the unexpected success of the Left Behind novels Crawford Gribben traces the gradual development of the prophecy fiction genre from its eclectic roots among early twentieth century fundamentalists The first rapture novels came onto the scene at the high water mark of Protestant America From there the genre would both witness the defeat of conservative Protestantism and participate in its eventual reconstruction and return providing for the renaissance of the evangelical imagination that would culminate in the Left Behind novels Yet as Gribben shows the rapture genre while vividly expressing some prototypically American themes also serves to greatly complicate the idea of American modernity assaulting some of its most cherished tenets Gribben concludes with a look at post Left Behind rapture fiction noting some works that were written specifically to counter the claims of the best selling series Along the way he gives attention not just to literary fictions but to rapture films and apocalyptic themes in Christian music Writing the Rapture is an indispensable guide to this flourishing yet little understood body of literature

The Left Behind Fantasy William Powell Tuck, 2010-02-18 The popular Left Behind series by Tim LaHaye and Jerry Jenkins has sold more than 62 million copies since the first volume appeared in 1995 Jerry Falwell pronounced it the most important series of books in the history of modern Christianity Many readers have assumed it gives the true facts about the way the world will end and what will happen to all the people in it But according to real biblical scholarship this series is seriously flawed Based on a misreading of many scriptures including Daniel and the Book of Revelation it has fed a kind of hysteria in the Christian populace that has led many people to reorder their existence in expectation of an impending doom and the sudden unexpected return of Jesus In this book William Powell Tuck carefully and authoritatively refutes the premises and faulty theology of the Left Behind books critiquing them in the light of genuine biblical scholarship and common sense

The Church and Literature Ecclesiastical History Society. Summer Meeting, Ecclesiastical History Society. Winter Meeting, 2012 A wide ranging and impressive collection which illuminates the enduring relationship between the Church and literary creation

Evangelical Millennialism in the Trans-Atlantic World, 1500-2000 C. Gribben, 2015-12-04 This book offers the first complete overview of the intellectual history of one of the most significant contemporary cultural trends the apocalyptic expectations of European and American evangelicals in an account that guides readers into the origins its evolution and its revolutionary potential in the modern world

Thumpin' It Jacques Berlinerblau, **Transfiguring Transcendence in Harry Potter, His Dark Materials and Left Behind** Mike

Gray, 2013-10-23 Three recent and commercially successful series of novels employ and adapt the resources of popular

fantasy fiction to create visions of religious identity J K Rowling s Harry Potter books Phillip Pullman s Dark Materials and Tim LaHaye and Jerry Jenkins Left Behind series The act of creating fantasy counter worlds naturally involves all three stories in the creation of what Mike Gray terms transfigurations of transcendence hopeful albeit paradoxical encodings of the ambiguous non observable reality whose primary locus in modern society is the societally extra systemic human individual Popular fantasy fiction turns out to involve acts of world creation that are inherently religious and inherently paradoxical A substantive examination shows that all three are involved in more or less intentional re narrations of traditional Christian beliefs and narratives The atheist His Dark Materials series does not deny but re imagines the Christian visions of selfhood the traditionalist Left Behind series does not simply replicate but modifies its own declared values the apparent secularity of the Harry Potter series is shaped by its creative reception of Christian patterns and narratives While the stories visions of selfhood clearly clash the basic paradoxes involved in their struggle to articulate transcendence expose significant parallels and a productive conversation with the Christian tradition It is not simply that popular fantasy fiction is theologically relevant the Christian Heilsgeschichte too proves to be highly relevant in popular culture However while far from obsolescent models of religious identity in contemporary society require criticism and creativity and as evinced most powerfully in the Harry Potter stories a flair for constructive engagement with paradox

Lobbying for Zionism on Both Sides of the Atlantic Ilan Pappe,2024-06-11 In 1896 a Jewish state was a pipe dream Today the overwhelming majority of Jews identify as Zionists How did this happen Ilan Pappe unveils how over a century of aggressive lobbying changed the map of the Middle East Pro Israel lobbies convinced British and American policymakers to condone Israel s flagrant breaches of international law grant Israel unprecedented military aid and deny Palestinians rights Anyone who questioned unconditional support for Israel even in the mildest terms became the target of relentless smear campaigns Lobbying for Zionism on Both Sides of the Atlantic shows us how an unassailable consensus was built and how it might be dismantled

The Regime Tim LaHaye, Jerry B. Jenkins,2013-02-08 Dynamic Romanian multimillionaire Nicolae Carpathia s sphere of influence steadily grows as he parlays his looks charm charisma and intellectual brilliance into success in business and politics But is it mere coincidence that those who oppose or offend him suffer to the point of death Meanwhile a young Buck Williams begins his journalistic career Pilot Rayford Steele gains more responsibility at work and at home Scientist Chaim Rosenzweig begins work on a secret formula that could change the world All three go about their daily lives unaware of each other or of the powerful young man from Romania Around the world the stage is being set for the cataclysmic event that will change the world forever

Plotting Apocalypse Jennie Chapman,2013-09-13 It is the not too distant future and the rapture has occurred Every born again Christian on the planet has without prior warning been snatched from the earth to meet Christ in the heavens while all those without the requisite faith have been left behind to suffer the wrath of the Antichrist as the earth enters into its final days This is the premise that animates the enormously popular cultural phenomenon that is the Left Behind series of prophecy

novels co written by Tim LaHaye and Jerry Jenkins and published between 1995 and 2007 But these books are more than fiction it is the sincere belief of many evangelicals that these events actually will occur soon Plotting Apocalypse delves into the world of rapture prophecy and tribulation in order to account for the extraordinary cultural salience of these books and the impact of the world they project Through penetrating readings of the novels Chapman shows how the series offers a new model of evangelical agency for its readership The novels teach that although believers are incapable of changing the course of a future that has been preordained by God they can become empowered by learning to read the prophetic books of the Bible and the signs of the times correctly Reading and interpretation become key indices of agency in the world that Left Behind limns Plotting Apocalypse reveals the significant cultural work that Left Behind performs in developing a counter narrative to the passivity and fatalism that can characterize evangelical prophecy belief Chapman s arguments may bear profound implications for the future of American evangelicalism and its interactions with culture society and politics

The Rising Tim LaHaye, Jerry B. Jenkins, 2013-02-08 The Rising begins a new Left Behind series that will give you a glimpse into the lives of your favorite characters before the Rapture Have you ever wondered what life was like before the Rapture for Rayford Irene and Chloe Steele Bruce Barnes Buck Williams and Tsion Ben Judah Plus see why Viv Ivins plays such a pivotal role in Nicolae Carpathia s life What were the events surrounding Nicolae s sudden rise to power How did he become filled with evil You will find all these answers and more in this exciting new series In The Rising Marilena Carpathia has only one dream to be a mother So when a mysterious clairvoyant promises the fulfillment of this dream Marilena does not hesitate Through genetic engineering and the power of the prince of darkness himself Marilena is about to become a chosen vessel one who will unknowingly give birth to the greatest evil the world has ever known Halfway around the world God s plans are subtly being carried out too Young Ray Steele is determined to avoid one day taking over the family business Instead Ray sets his heart on becoming a pilot Soon Carpathia s and Steele s lives will intersect And good and evil will clash in an explosion that will shake the world The eternal battle for souls has come to earth The world hurtles toward the countdown to the Rapture
