The Bay Of Love And Sorrows:

The Bay of Love and Sorrows David Adams Richards, 2003 **BOOK JACKET** *Setting in the East* David Craig Creelman, 2003 The Maritime region is thus torn between its memory of an earlier more prosperous and traditional social order and its present experience as a less fortunate modern industrial society These tensions are embedded in the Maritime character and have affected not only the lives of its people but the imaginations and texts of its writers **BOOK JACKET**

Songs of Love on a December Night David Adams Richards, 2025-11-04 From one of Canada's most celebrated and controversial novelists comes a tale of dark aspirations betrayal and murder When Jamie Musselman's father is found dead from an apparent self-inflicted gunshot it doesn't take long for rumours and suspicions about Jamie to swirl through Miramichi Why was Jamie also shot that night Why was money discovered under his pillow Was it true as some of the boys at his school claimed that Jamie possessed a cruel nature and had even once been spotted killing robins As the years bend on Jamie continues to maintain his innocence but few others aside from his fiancée Gertie believe him Including the police who finally arrest him Including the judge who convicts Jamie of murder But nothing is ever as it seems in Miramichi a place where vanity resentment and crimes of opportunity are forever brewing and unlikely alliances are continually being formed In the weeks before the murder a self-proclaimed revolutionary had returned to Miramichi after being expelled from university a career criminal falsely claiming Indigenous heritage had been released from jail and a hapless bully of a father Gertie's father had discovered there was money in the Musselmans home kept in the very study where Jamie's father was found dead Is there more to the story than the townsfolk believe Richly conceived and fearless in its examination of morality and justice prejudice and corruption *Songs of Love on a December Night* is an epic exploration of the evil we are capable of and of the redemption we can aspire to

The Light of Scarthey Egerton Castle, 2022-11-13 Egerton Castle's *The Light of Scarthey* is a captivating novel set in the late 19th century blending elements of gothic romance and adventure The story follows the protagonist Sir Tristram Harland as he uncovers the mysteries of Scarthey Castle and the ancient curse that haunts it Castle's descriptive prose and intricate plot twists contribute to the novel's immersive literary style reminiscent of classic works by authors such as Bram Stoker and Edgar Allan Poe The themes of fate redemption and the supernatural are expertly woven throughout the narrative keeping readers on the edge of their seats Egerton Castle a British author and antiquarian drew inspiration from his extensive knowledge of medieval history and folklore to craft *The Light of Scarthey* His passion for Gothic literature and his own experiences exploring ancient ruins and castles in Europe undoubtedly influenced his creation of Scarthey Castle and its dark secrets Castle's expertise in historical detail and his talent for weaving atmospheric settings make this novel a must-read for fans of gothic fiction and mystery lovers alike I highly recommend Egerton Castle's *The Light of Scarthey* to readers who enjoy atmospheric gothic novels with intricate plots and compelling characters Castle's masterful storytelling and the novel's eerie atmosphere will keep you captivated until the final page

making it a classic in the genre of gothic literature *The Light of Scarthey (Historical Novel)* Egerton Castle, 2022-01-04 At the beginning of the 19th century the era of Napoleonic campaigns covered the whole of Europe causing turbulence even in the most distant and peaceful plots of land as the island of Chartley The two opposing countries needed gold and silver for their armies and the seas around these lands quickly became the domain for smugglers and adventure seekers This situation shapes the course of life of the main protagonist by introducing unexpected events and people The main character Adrian Landale the master and light keeper of Scartley lives two distinct yet connected love stories in his life First as a young man he meets beauty to fall in love with Then as fate separates them for years he meets her again her face looking young and fresh as if not touched by time How was it possible Was that the same woman and what was her story **The Antigoni**
